THE SCARLET LETTER

PUBLISHED BY THE 1938 SENIOR CLASS

OF RUTGERS UNIVERSITY

NEW BRUNSWICK, NEW JERSEY

THIS YEARBOOK IS SINCERELY DEDICATED TO  
PROFESSOR HOWARD D. MCKINNEY WHO HAS  
CONTINUED TO BRING TO RUTGERS UNIVERSITY  
FAME IN MUSICAL CIRCLES WHICH IS IN KEEP-  
ING WITH THE HIGH CULTURAL IDEALS OF OUR  
ALMA MATER.

T H E D E D I C A T I O N

# F O R E W O R D

If, many years from now, with the aid of this 1938 "Scarlet Letter", old undergraduate experiences are recalled and a deeper love for Alma Mater is instilled within us, then the staff will consider that it has performed its enjoyable task satisfactorily.

Concerning Dr. Clothier, little can be said which is not already known to all who have come in contact with him. To list his attributes and accomplishments would be an endless task, so we express our opinion in one phrase—"an inspiring President."

# SENIOR CLASS HISTORY

A. Peter Haire, Historian

President .....K. W. MacWhinney  
Vice-President .....John F. Anderson  
Secretary .....Theodore D. Spieler

As one sits down to look back over his college career, he will find it hard to believe that it has gone so rapidly. There flashes through the mind a series of incidents that are really significant of his years on the "Banks."

As we climbed the ladder nearer and nearer to graduation, there emerged from our ranks leaders to take over the reins of those who precede us. It was George Hallock, Howie Cox and Ken MacWhinney who have been elected to the Presidency of the Class. Then too there has been our social activity. This began with the Soph Hop, which was directed by Carlyle Miller; Tommy MacMeekin ran our Junior Prom, and our social activity culminated with the Senior Ball which was so capably handled by Jack Anderson.

Among those accomplishments, which will always be significant of our Class, and which can never be surpassed by any other class, is the four year consecutive record of the 1938 Crew in the Interclass regatta. Many of these men growing with crew from its infant stage among Rutgers sports to the position that it now holds.

Four years have brought with it many notable and progressive changes to Rutgers. We have seen a Student Union Building opened, giving a central meeting place to the student body. We have seen the original "cut-throat" rushing give way to a "deferred rushing" system, "Hell-Week" changed to "Initiation Week" with many of the former practices abolished. We saw the adoption and success of the Interfraternity Banquet as a permanent institution on the Campus. Our Senior Year saw the renewal after many years of absence the Varsity Show, to which Lou Fanget and Les Beach deserve a world of credit for not only getting this back on the campus, but at the same time making it a success.

We have seen the last Varsity football team play in Neilson Field, and saw the work start towards the completion of the new football stadium, thus making it possible for us to return as Alumni to a modern, well-equipped football stadium. As we leave, there comes a new football coaching regime under Harvey Harmon, to whom the Class of 1938 gives a vote of confidence. These are but a few of the changes, which make us truly believe that Rutgers is going ahead.

Looking back over the past four years to pick out those things that particularly stand out, there was the confusion and excitement of rushing, the mysteries and joy of Hell Week and the Formal Initiation that followed, which was particularly symbolic of our Freshman Year. The 30 to 0 victory over Lafayette, when Tony Naparano astounded the people of Easton in crossing the Leopard goal line no less than five times one afternoon of our Sophomore year. There was the "moonlight regatta" with Manhattan, the great 1936-37 Hill machine, and the thrilling victories of the swimming team that were the highlights of our Junior Year.

No history of a Class would be complete unless words of praise were showered on those men who were particularly outstanding on the field of sport. It was Art Perry who captained the Varsity football team, with Mush Plevinsky, Dick Renshaw, Art Rolfe, Don Saxton, Hilly Simkins, Chuck Bobrowski and Marty Smirnow, all seniors winning their football "R". George Hallock received All-American lacrosse mention in his Sophomore year, and traveled through Canada with the All-American team, playing a series of exhibition games against Canadian teams. Joe Barile, Carlyle Miller, Soup Campbell and Norm Cooper played surprising good ball under Frank Hill during the past season. It was Tony Saverese, who for three years has coxed the Varsity crew, and Bill Collinson, who has stroked it. The 1938 Freshman Relay team consisting of Ken MacWhinney, Stan Rose, Jim Reilley, and Ed Pillar, who died before his Sophomore year, won the Freshman Eastern Collegiate 200-yard Relay Championship. The same relay team with the exception of Ed Pillar has been undefeated in the E.S.C.A. 400-yard Relay for the past three years. Jim Reilley and Ken MacWhinney were also on the Relay team that won the Metropolitan A.A.U. Relay Championship this past year. Al Timko holds the E.C.S.A. Breaststroke record together with the Rutgers pool record for the same event. However, it is particularly to those unsung wearers of the Scarlet, to whom space does not allow us to mention, but of whom we are particularly proud.

Likewise in the field of non-athletic activity the Class has been particularly active. Professor Reager was responsible for scheduling the largest debating trip that has ever taken place by any collegiate debating team in the United States. Sixteen senior debaters swung through seven states, and Canada, meeting in all some twenty colleges. The Glee Club continued to give its fine concerts through New Jersey and the neighboring states, and Professor McKinney continued to bring to the Rutgers campus more fine artists. The Targum was edited by Bob Kull, with Don Saxton as Business Manager. Jack Lawley was elected to the Editorship of the "Scarlet Letter," and Al Espenship became Business Manager.

It is indeed difficult to realize that we have written our last page in Rutgers undergraduate history. We like to believe that we have given back to Rutgers a small part of that which she has given us. As alumni, we hope to continue in our small way to be "Loyal Sons of Rutgers."

WILLIAM ALVIN ANCIER

Liberal Arts

793 Bryant Street, Rahway

Bill came to college with a pleasant but unfathomable something about him. He soon made his mark in the fields of scholarship and athletics, and is considered by all as a top-notch. With his keen insight and perception he will attain proficiency in his first and only love—law.

Commuters' Club (2, 3); Boxing (2); Honor School (1, 2, 3, 4); Wrestling (1).

JOHN FRANCIS ANDERSON

Theta Chi

Liberal Arts

Cap and Skull

51 Stone Street, New Brunswick

Introducing "Politician Andy" of Bloody Sixth Ward fame. He has done a swell job of managing our biggest campus activities—football and debate. This Union Street "executive" has stuck a forceful and influential finger into almost every extra-curricular activity. His achievements attest to his personality. Rutgers will lose, but the business world will gain by his graduation.

Football Manager (1, 2, 3, 4); Targum (1, 2, 3, 4); Student Council (4); Scarlet Letter (3, 4); Anthologist (4); Scarlet Key; Debate Manager (2, 3, 4); Tau Kappa Alpha; Senior Ball Chairman; Varsity Club (4); Board of Managers (3, 4); Newman Club (1, 2, 3, 4).

STEPHEN HEWITT BACHOFEN

Kappa Sigma

Agriculture

209 East Union Street, Burlington

With research in plant pathology as his ultimate aim, Steve divided his time between science and his "One and Only." Although this kept him very busy during his sojourn at Rutgers, his mild temperament and friendly attitude won him a multitude of friends.

Water Polo (1, 2, 3); J. V. Football (1, 4); Ag Club (1); Varsity Club (3).

CARL WILTON BAER

Agriculture

399 West Main Street, Somerset, Pa.

"Gus" came to Rutgers with the problem of "colleging his way through work." He achieved this by spending many a weary night playing his trumpet at "The Pines." "Der Max," despite those weary nights, has not neglected his books. In addition to his work and studies, he seems to be spending a lot of time dreaming about someone in Iowa.

Alpha Zeta; Band (1, 2, 3).

CHARLES ARTHUR BAILEY

Chi Phi

Biology

197 Mountain Way, Rutherford

"Chass" came to Rutgers for a pre-medical course, but his adventures with Entamoeba histolytica and T. gambiense did not prevent him from leading a well-rounded life. The secrets of his success are a quiet but engaging personality, a sense of humor, and his ever-ready medical kit, subject to periodic raids by ailing brothers.

Scarlet Key; Lacrosse Manager (1, 2, 3, 4); Interfraternity Council (3, 4); Junior Prom Committee.

JEROME HARRISON BAKER

Chi Phi

Liberal Arts

4320 Glenwood Avenue, Little Neck, L. I., N. Y.

"Jerry's" is a complex nature; although he waxes from the ethereal to the practical in almost one breath there is enough self-esteem in his make-up to make him real. When "The Boy" finds a definite purpose in life we should hate to be in his way.

Boxing (1, 2); 150 lb. Football (1, 2); Queen's Players.

SAMUEL OGDEN BALDWIN

Delta Kappa Epsilon                      Engineering  
60 Harvard Avenue, Maplewood

Some men are inherently poets, others like "Oggie" must be engineers. He divides his time between the Engineering Building and places where winter sports are found. Although an easy-going genial chap, he often surprises us with his stentorian outbursts. However, the engineering course did not interfere with his social life as many of the fairer sex can testify.

Water Polo (1, 2); A. S. M. E. (2, 3, 4).

KENDERTON BREWSTER BARBER

Engineering  
106 Orchard Street, Cranford

In the words of our song, Ken, the verdant Freshman, the gay Sophomore, the happy Junior, and the blase Senior, typifies the well-rounded Rutgers man. Quiet, but congenial and likeable, he won the respect of his classmates. After his four successful years on the "Banks" we say with all sincerity, "Well done, Ken'."

150 lb. Football (1); Track (1, 2, 3, 4); A. S. M. E. (4).

JOSEPH V. BARILE

Education  
Cap and Skull  
211 Calmadge Avenue, Bound Brook

Joe goes for all sports in a big way even though he is a small fellow himself. Track is the only sport in which he has not specialized. As a result he has had to hitch-hike from the home town of Bound Brook ever since he came to Rutgers. Some day he hopes to write a book on the art of thumbing rides.

150 lb. Football (1, 2, 3, 4); Lacrosse (1, 2, 3, 4); Basketball (1, 3, 4); Italian Club; Newman Club; Kappa Phi Kappa.

WILLIAM GLENN BARTLETT, Jr.

Agriculture

445 Rosehill Place, Elizabeth

Bill, the silent man from Elizabeth, came to us with all the essentials of a gentleman plus a determination to make his mark in the field of agriculture. His pleasant smile, sincerity, and pleasing personality have gained for him a host of friends and indicates that his future will be one of accomplishment.

Scarlet Rifles (1, 2); Agriculture Club (1); Commuters' Club (1).

MALCOLM MILLER BAXTER

Agriculture

15 Elm Street, Newark

Mac timidly came to the "Banks" in '34 and immediately enrolled in the College of Agriculture. From then on he learned the Dairy Business and is now rarin' to go. We'll remember him for his fine personality and friendly smile as a student. Here's hoping that he will succeed on the big dairy farm which he will some day own.

Ag Club (3); Dairy Science Association (3, 4).

WALTER H. BERGER

Phi Epsilon Pi

Liberal Arts

10 Osborne Terrace, Newark

"Spin" came to Rutgers swinging a tennis racquet and declaring that he won his match at love. So aided by a certain damsel, he succeeded at each match of college competition. He scored at scholarship, athletics, social and interfraternity activities. "Spin's" graduation will be felt as a loss both to his college and his fraternity.

Fencing Manager (1); Varsity Club (3, 4); Interfraternity Council (3, 4); Honor School (1, 2, 3); Tennis (1, 2, 3, 4).

HARRY ROBERT BERRY

Chi Psi Chemistry  
 93 Glenbrook Road, Stamford, Conn.

To the oft-repeated question "Where's 'Hank'?", comes the inevitable answer, "Down in the Chem building." Labs have demanded the major part of his time, along with the "New York Times." In view of his difficult course and the necessity to work for part of his expenses, Hank had to drop all activities after his Freshman year. His loyalty to Rutgers and to Chi Psi will not cease with graduation.

Swimming (1); Water Polo (1); Track (1).

THOMAS L. JOSEPH BLANCHET

Tau Kappa Epsilon Agriculture  
 Spotswood

Tom studies agriculture in the winter and works on the farm in the summer; yet he thinks he'll be the first to get rich in a business office. Carefree but serious when the time demands, he is among our better strong and silent. Inhabitants on the road between Spotswood and New Brunswick can see Tom's Pontiac tearing erratically toward Rutgers each morning to make his 8:10 class.

Alpha Zeta; Scarlet Key; Targum (1, 2, 3); Football (3, 4).

CHARLES BOBROWSKI

Education Education  
 29 Redwood Avenue, Paterson

As a Physical Education major "Chuck" has tried his versatile hand at baseball, football, boxing, basketball, and, 'tis rumored, even at tiddle-de-winks. When he gets out into this man's world he hopes to coach all-state elevens and send the brighter stars to Rutgers. "We've always room for a few more Upson Scholars," says "Chuck."

Football (1, 3, 4); Boxing (2, 3, 4); Basketball (1, 4); Baseball (1, 2, 3, 4); Polish Club (1).

REED BONNEY

Lambda Chi Alpha Agriculture  
55 Benson Street, Glen Ridge

Reed Bonney—Antho's record, record, recorder—a victor in this as in many other lines—one of Lambda Chi's outstanding '38-ers—smoothy, we hope, wrapt up in an abstruse pursuit of a disciple of medicine—Ag with industrial aspirations. Perhaps the best eulogy would be: "He came too late, he left too soon."

Scarlet Letter (3, 4); Dairy Science Association (3, 4); Anthologist (2, 3, 4).

WARREN KLAUSER BOORAEM

Chemistry  
208 Main Street, South River

An exponent of the test tube, a tennis player of note (in his home town), a quiet chap with an easy way of making friends, describes Warren. His willingness to co-operate with his fellow-men, plus an intellectual mind, will lead to success. May he continue onward and upward as he has done at Rutgers.

GEORGE FRANCIS BOWEN

Journalism  
63 Main Street, South River

"Bus" went to college as an extra-curricular activity. He learned his Greek from restaurant owners; his calculus from bowling scores; wrote English with a copy pencil. But he became a better newspaper man, got to know a horde of people, and had a lot of fun. All of which isn't so bad for four hectic years.

EDWARD S. BOYD

Engineering

R. F. D. No. 3, Butler

Respected by men, admired by women. . . . Possessor of courage, loyalty, dependability and wit in the proportions known of thoroughbreds. . . . Remembered by friends made and kept. . . . A red-blooded man who lived well, loved much, and laughed often. . . . His future place in the world will be well-filled and left better than he found it.

AMES DUSTON BRADISH

Phi Gamma Delta                      Engineering  
1429 East Seventh Street, Plainfield

The affable "Lank," beloved of Fijis, engineers and the campus at large, ambled amicably through four college years wrapped in the sublimity of a contagious good nature. Diverging from the narrow paths of engineering, "Dusty" stalked into campus prominence through various veins, and led the Fijis in his last year. Certainly social charm and wit will bring him continued success.

Track (1); Crew (2); Interfraternity Council (3, 4); A. I. E. E. (3, 4); Scabbard and Blade.

FRANK L. BRENNAN

Education

139 Sherman Avenue, Trenton

"It's not what you know, it's who you know," according to our practical, worldly friend. Therefore, it behooves us to tread on no one's toes, and, if we are students of Education, to especially cultivate small-town Boards of Education. Can anyone recommend a suitable Board, easily affected by exposure to personality?

ALFRED EDWARD BROWN

Chemistry

211 Loomis Street, Elizabeth

Al came to the "Banks" and started his advance in chemistry by taking the Freshman Prize. Deep interest combined with a love for chemistry showed their effect when Al won a Phi Beta Kappa key in his Junior year. Labs and commuting in his first three years kept his extra-curricular activities down. Combined with scholastic ability, Al has a most pleasing personality which has won him many friends. We know he will reach the top.

Phi Beta Kappa; Phi Lambda Upsilon; German Club (1).

CHARLES BRADFORD BROWN, Jr.

Delta Upsilon

Liberal Arts

317 34th Street, Woodcliff

Along with a natural born penchant for scholarship, "Brad" has always shown an ever-pleasing countenance, a disposition to be of service, and a friendship and faithfulness that can never be forgotten. Although his education was paramount, he participated in and enjoyed campus life and activity, thus gaining a well-rounded personality and character as a keystone to success.

Honor School (1, 2, 3, 4); Glee Club (1, 2, 3, 4); Scarlet Key; Songleader (3); History Club (2, 3).

FRANK HALSTEAD BROWN, Jr.

Biology

327 Chestnut Street, Roselle Park

Rutgers will long remember "Hallie" for his quiet genial manner and pleasing personality. He will carry into the medical profession a record of conscientiousness, sincerity and loyalty. His idealism and deep appreciation for the better things in life should carry him far into his chosen career. We of Rutgers say good luck and Godspeed, "Hallie," as you journey to the top.

Basketball (1); Crew (1, 2, 3); Rowing Club (2, 3, 4).

RAYMOND EDWARD BUBALTZ

Engineering

427 Louisa Street, South Amboy

Having to commute daily from South Amboy gave Ray a considerable handicap from the start. He has, however, made himself quite well known by his generous distribution of cigars among his fellow engineers. Being a steady, hard working, likeable chap, he is bound to succeed as an engineer of the future.

Newman Club (1, 2, 3, 4); A. I. E. E. (3, 4).

SAM BUCHMAN

Liberal Arts

119 Amsterdam Avenue, Roselle

Sam came from the University of Michigan. This man of smiles and good humor breezed into Rutgers in his Sophomore year. Through his genial personality and willingness to cooperate, he instilled himself in the hearts of all that know him. To wish him success is unnecessary for he will never stop until the top is reached.

Honor School (2, 3, 4); Tennis (3, 4).

EDGAR A. BUTTERS, Jr.

Chi Phi

Liberal Arts

Milltown

"Butters" came to us as an example of the pure New England stock—not horses. We love him even though he is a Democrat. His vocal interpretation of "Tommy Lad" brought tears to the eyes of all the Chi Phi's back in our Freshman year,—at last he stopped. His smashing forehand—in ping-pong—has also brought tears to the eyes of many Chi Phi's—but he hasn't yet stopped.

French Club (1); Liberal Club (2, 3, 4); History Club (3, 4); Tennis (1).

WILLIAM ANTHONY CALLAHAN

Delta Kappa Epsilon Liberal Arts  
750 Woodland Avenue, Plainfield

Stock in Bill Callahan, Inc., rose sharply upon his exchange of engineering for economics. This trading subsequently led to his becoming president of the Campus Bank, a position he had filled informally for years before, a cheerful-loaner-of-money to students without it. Here's a man of high principles and varied interests—one you'd better not sell short!

DAVID JOSLIN CAMPBELL

Phi Gamma Delta Engineering  
615 Abbott Street, Highland Park

"Soup" was kept from showing outstanding versatility because of his curriculum. Hard, long study hours didn't alter his appreciation of the beautiful. Dave's correspondence was as well known as Browning's and his one regret was that Rutgers held only three major dances a year. Success at whatever he tried has proven it needless to say "good luck, old man."

A. S. M. E. (3, 4); Tau Beta Pi; 150 lb. Football (1).

WALTER F. CAMPBELL

Liberal Arts  
68 Carson Avenue, Metuchen

"Soup" came to college to acquire a well-rounded education. During his four years on the "Banks" he participated in all phases of college life, and gained prominence as a student, athlete, and all-around good fellow. For such a well-balanced individual success is inevitable.

150 lb. Football (1, 2); Football (3, 4); Basketball (1, 2, 3, 4); Lacrosse (3, 4); Scabbard and Blade.

### WILLIAM V. CARISTE

Scarlet Barb Education  
469 Brace Avenue, Perth Amboy

Having nothing better to do in 1934, "Willie" came to Rutgers. Now, 1938, coming for that simple reason seems revolting, for, like the rest, "Willie" has become a true "Loyal Son," and he's quite prepared to "die for dear old Rutgers." But first we hope to see him make his mark in the world.

Boxing (2, 3); Italian Club (1, 2, 3, 4); Spanish Club (4); Newman Club (2, 3, 4).

### VAUGHN SHIPMAN CARY

Phi Gamma Delta Education  
Flemington

"Swede," who made his mark as an athlete and a scholar, a fighter and a philosopher, a thinker and a friend, is a man among men and a gallant among the ladies. An expert football player and a born leader, the handsome Cary did much during his college days to "keep the Scarlet in the van."

150 lb. Football (1, 2, 3, 4); Basketball (1); Baseball Manager (1, 2, 3, 4); Board of Managers (3, 4); Golf (3, 4); Scarlet Key.

### AHMED QERIM CELO

Agriculture  
Tirana, Albania

Ahmed first came to Rutgers after graduation from the New York State School of Agriculture at Morrisville, N. Y., in 1930. He stayed here a year and took work in dairying, Agricultural Education, and Agricultural Extension, then returned to Albania in 1931 and taught Animal Husbandry at the Albanian American Institute until 1937. He returned last summer to complete his work at Rutgers, and then go back to Albania to resume his teaching.

### WILLIAM STEWART CHICHESTER

Scarlet Barb Education  
34 North Willow Street, Montclair

To know "Willie" is to like him. The trials and tribulations of four years of college activities never threw a shadow over the smile on his face nor discouraged the curl sitting high on his head. When not busy wrestling, eating, sleeping or being gay, he worked for a teacher's certificate and gained a Kappa Phi Kappa key en-route.

Wrestling (2, 3, 4); Kappa Phi Kappa; Varsity Club (3, 4); Quad Club (1, 2, 3); Track (1); Cross Country (1); Targum (1); Honor School (3); Deutsche Verein (1, 2).

### GEORGE CHRISTIANSON

Education  
21 Wayne Avenue, Paterson

A true sportsman in every sense of the word, "Chris" has proven himself outstanding in every walk of his college career. His smile is a challenge, behind which lies a staunch and sturdy character inherent in "Chris's" nature. Here's a toast to the future and the happiness it's bound to bring him.

Water Polo (1, 2, 3); Swimming (1, 2, 3, 4); Debating (1); Scabbard and Blade; Kappa Phi Kappa.

### HOMER WALTER CLAPPER

Phi Gamma Delta Engineering  
5876 Solway Street, Pittsburgh, Pa.

There weren't enough hours in the day for Homer to do the many things he desired, so he stuck to his more important tasks in the confinement of the Engineering Building. He will always be remembered at the "Fiji House" as one who was never too busy to lend a hand. His determination to do the right thing has won him respect and many friends.

A. S. M. E. (3, 4); Track (2); 150 lb. Football (2, 3).

E S C A R L E T  
H  
T

THOMAS FRANCIS CLEARY, Jr.

Chemistry

123 Magnolia Street, Highland Park

Tom is a local boy who made good in that ivy-covered building at the west end of Bleeker Place. His hearty Irish grin and ready wit have endeared him to many hearts, including that of a fair and lovely maiden from Mahwah. Best of luck, Tom, we know you'll make good.

150 lb. Football (1); Phi Lambda Upsilon.

WARREN SOUTHLERLAND CLUFF

Phi Gamma Delta Business Administration

289 Claremont Avenue, Montclair

Four years ago "Merc" came down to Rutgers from Montclair and marched to success with the "White Star" line of Phi Gamma Delta. Here at the white house on George Street "Merc" has been active in many of our affairs, and the seriousness and the calm deliberation with which he is endowed have been beneficial to us in every respect. In parting may we add that we lose a man of ability and a friend and we send him on his way knowing that success will be his.

Lacrosse Manager (1).

MEYER COHEN

Biology

201 First Street, Elizabeth

Mix together a scholar, man of the world, orator, and general raconteur, and you have our hero. They certainly grow some marvelous men down Elizabeth way, and here is one of them. Fortunate, indeed, is Rutgers to have heard his merry quips and sallies these four years, and may they last many more. (Bet he wrote this himself.)

R  
R  
R R R R R R R R

RICHARD HERBERT COLE

Biology

855 Jersey Avenue, Elizabeth

"King" came to the "Banks" with a serious intent and a real purpose. Despite his commuting he managed to find time to trade the scalpel and the test tube for football, lacrosse, and the friendship of his classmates. Quiet, unassuming, and whole-hearted in everything he does, his friends confidently look to him to attain his goal, "R. Cole, M.D."

Scarlet Rifles (1, 2); 150 lb. Football (3, 4);  
Lacrosse (3, 4); Varsity Club (3, 4).

CHAMPION CHARLES COLES

Agriculture

336 Broad Street, Elmer

"Champ's" pleasing personality has contributed much to his success in college, and has gained for him many friends among students and faculty. He looks upon life from the brighter side and always has a pleasant word for those about him. We feel confident that he will succeed in the venture of life upon which he embarks.

Club (1, 4); Dairy Science Association (2, 3, 4).

THOMPSON McCREA COLKITT

Scarlet Barb

Liberal Arts

Columbus Road, Bordentown

A soldier, cartoonist, and diligent student, "Tim" came down to Rutgers in '34 with a yen for History, and spent his four years delving into the past. His ready smile and cheery "hello" have made him a typical Rutgers man. Nor did he neglect his social activities, and, lest we forget, there is also the "little woman" across town.

Quad Club (1, 2, 3); History Club (4); Scarlet  
Rifles (2); Anthologist (2, 3, 4).

WILLIAM SAMUEL COLLINSON

Tau Kappa Epsilon Business Administration  
222 West Summit Street, Somerville

"Collie" is the stellar senior stroke of the swift Scarlet shell. It is to be regretted that commuting has prevented him from participating in other sports. His Scabbard and Blade membership proves how well he fills a uniform. If willingness to work is an indicator of future success, Bill's service on our Senior Cabinet bodes well for him.

Crew (1, 2, 3, 4); Rowing Club; Scabbard and Blade.

WALTER WILLIAM COLPITTS, II

Delta Kappa Epsilon Liberal Arts  
283 Warwick Avenue, West Englewood

Crew, scholarship, and snatches of social life were Walt's main interests for two and one-half years. Then along came the trucking industry and captured most of his attention. Though managing to take adequate care of the first three items, riding the "horses" took most of his last year. His well-rounded record points toward a full life.

Football (1); Crew Manager (1, 2, 3, 4); Crew Club (3, 4); Boxing (1); Soph Hop Committee; Junior Prom Committee; Honor School (1, 2, 3, 4).

GEORGE PAUL CONLON

Alpha Kappa Pi Journalism  
71 Bishop Street, New Brunswick

George came to Rutgers from Saint Peter's College, Jersey City, in his Sophomore year. He is well known on the campus as a clean-cut, energetic fellow. He managed to finish his journalism assignments on time despite frequent treks to Milltown in search of a certain maid. George's boxing possibilities were cut short by a fractured metacarpal. We wish him luck in the newspaper field.

150 lb. Football (2, 3); Boxing (3); Basketball (4); Lacrosse (4); Newman Club (2, 3, 4); Journalism Club (3, 4).

### JOHN ALEXANDER CONNOLLY

Education

65 Atlantic Street, Carteret

John, a commuter for four years, obtained his college education between train rides on the Pennsylvania Railroad. His knowledge of music obtained for him the position of student leader in the Band. John has furthered his education by traveling to Europe during two summer vacations. His pleasant personality and keen sense of humor have marked his four years at Rutgers.

Band (1, 2, 3, 4); Newman Club (1, 2, 3, 4).

### JOHN HENRY COOK

Scarlet Barb

Education

Hancock, Mass.

"Cookie" matriculated to the banks from Rutgers Prep, bringing with him a love for mathematics and a deep affection for track. Across town jaunts soon proved that he was no laggard socially. With such a well-balanced college career behind him, Johnny is certain to rise to the top in his chosen profession of teaching mathematics.

Mathematics Club (1, 2, 3, 4); Quad Club (1, 2, 3); Honor School (1, 2); Kappa Phi Kappa; Spiked Shoe; Cross Country (1, 2, 3); Track (1, 2, 3, 4); Newman Club (2, 3); Targum (1).

### NORMAN ELLIOT COOPER

Sigma Alpha Mu

Liberal Arts

455-A Gregory Avenue, Weehawken

Coop has earned more than a degree at Rutgers. A ringing sense of humor, and a willingness to co-operate, backed with a true heart of gold have won for this Rutgers' Son a deep respect with whomever he has come in contact. Whatever field he may choose, we are certain that his future will merely reflect the success of his past.

Basketball (1, 4); Targum (1); Jewish Student League; Liberal Club (1, 2).

HOWARD CLAYTON DARNELL, Jr.

Liberal Arts  
19 Valley View Terrace, Moorestown

"Mother, does thee want the car? OK, then, I'll buzz off," is a perfect description of "Howie," who combines the plain language of the Friends with an up to the minute insight into the world. "Howie" is one of those rare collegians who have charted their course and will stick to it. Good as a student, better as a photographer, best as a friend!

Crew (1).

ROBERT MATTHEWS DECKER

Scarlet Barb Liberal Arts  
Lake Mohawk, Sparta

Sparta's pride and joy possesses at least three good qualities: first, he plays a rattling good game of golf; second, he's a very capable cheerleader; third, he's a pretty decent chap. In between times he manages to study quite efficiently, pull down some high grades, and keep the Economics Department running smoothly.

Targum (2); Quad Club (2, 3, 4); Swimming (1, 2); Golf (2, 3, 4); Honor School (1, 3, 4); Scarlet Barb Council (2).

ARTHUR WYLIE De GROFF

Lambda Chi Alpha Liberal Arts  
37 Girard Place, Maplewood

In the classroom, on the playing field, and around the campus, Art has made many friends. His activities have been numerous and varied. Interfraternity delegate, Business Manager of Anthologist, and star hurdler, are outstanding among his accomplishments. All these, combined with that bearing and manner which mark the true gentleman, have made "Art" one of the most popular members of his class.

Anthologist (2, 3, 4); Track (1, 2, 3, 4); Spiked Shoe; Interfraternity Council (3, 4); Anthologist Council (4).

CHARLES RIGHTER DIXON, Jr.

Alpha Kappa Pi Education  
588 Morse Avenue, Ridgefield

The one and only Bizzlebozzle. "Big Mike" spent most of his Senior year Potter-ing around Milltown. In spite of his clownish ways, he can be serious. His positions as Alpha Kap prexy and Senior Cabinet member prove that his opinions are respected. If his fame in life rings as clearly as his laugh did in college, success will smile on him.

Scarlet Key; Varsity Water Polo (3); Varsity Swimming (3, 4); Senior Ball Committee.

DONALD PRESTON DREISBACH  
Pi Kappa Alpha Agriculture  
120 Crestmont Terrace, Collingswood

Floriculture, dancipation and the great outdoors were "Butch's" main interest in life during his years on the "Banks." Mixing was his password and his creed, and no man could better his knowledge of "Swing" or the open road. He'll travel far with his never ending wit and agility of mind and muscle.

Hortus Club (2, 3, 4).

STANLY ALOYSIUS DRESWICK  
Education  
51 North Street, Bound Brook

After two years at North Carolina State "Stan" finally decided that he had better go to college, so he settled on the "Banks." However, in his manner—casual, unconcerned, presumably content—we can still detect the mark of the easy-going South. He'll have to get over that if he wants to be a good football coach!

Football (4); Baseball (4); Kappa Phi Kappa.

GEORGE HENRY DUPONT, Jr.  
Engineering  
48 Kempson Place, Metuchen

"Doc" came to the "Banks" in his Sophomore year determined to become an engineer. Besides learning the mysteries of the slide rule he has found time to toot a mean baritone. His activities have been limited, due to commuting, but he has found time to make many friends. Here's lots of luck for the future, "Doc."

Band (2, 3, 4); A. I. E. E. (3, 4).

HAROLD ELRICK

Biology

62 Mine Street, New Brunswick

Magician, world traveler (viva Mexico!), linguist, scientist, actor (leading lady of the German Plays), cow-puncher, and master of "Buddy" (the police dog that lives on the campus)—truly "Stretch" is a man of many parts, and small ones they were until he came to Rutgers. We think he grew a yard since, but he insists it wasn't more than a foot.

Fencing (1, 2, 3, 4); Honor School (1, 2, 3, 4); Beta Iota Lambda; Delta Phi Alpha; Biology Club (2); Italian Club (4); German Club (1, 2, 3, 4); Spanish Club (4).

ALBERT CLARK ESPENSHIP

Alpha Chi Rho

Education

Cap and Skull

305 Magnolia Street, Highland Park

"Essie" to some, "Al" to others, but a friend to all alike, Espenship has shown that leadership and ability found only in champions. Commuting from Highland Park every day for four years has not kept him from participating in campus activities, nor has it dampened his ardent spirit of endeavor. In learning and in living Al ranks high among collegians.

Scarlet Key; Student Council (4); Kappa Phi Kappa; Track (1, 2); Debating (2, 3, 4); "Scarlet Letter" (2, 3, 4); Targum (1, 2, 3); Anthologist (1, 2); Interfraternity Council (4); Tau Kappa Alpha.

ANTHONY JOSEPH FAMA

Pi Kappa Alpha

Liberal Arts

34 Berkely Road, Maplewood

A native of California, Tony attended Millburn High School prior to entering Rutgers. A deep thinker and logical reasoner, possessed of a keen sense of humor and an innate ability to judge human character, Tony has won a host of friends throughout his college career. Here's to you, Tony, you can't miss, whatever your goal.

150 lb. Football (1); Lacrosse (1); Junior Prom Committee; Interfraternity Council (3, 4); Class Secretary-Treasurer (2).

## KARL FARNOW

Liberal Arts

140 Littleton Avenue, Newark

With the grace of Robert Taylor and the personality of Woollcott, he should have been the social lion of the campus; with that lanky frame, he should have stroked the varsity crew. We assure you that he has what it takes, and here's to the day when he chooses to use his talents!

## HERMAN HARVEY FASTEAU

Liberal Arts

55 Unity Avenue, Newark

Though of the inspiring dreamy-eyed intellectual type, Herman came to Rutgers for a definite purpose—namely, that of preparation for his life ambition of helping those unfortunates through his chosen field of Social work. He is a cool, calculating liberal, who, upon reaching a decision, follows through and is not deterred. Democracy needs his type of leadership.

Liberal Club (2, 3, 4); History Club (3, 4).

## RALPH BROWN FAULKINGHAM

Zeta Psi

Liberal Arts

61 Livingston Avenue, New Brunswick

Rutgers Prep to Rutgers! Not an original story, certainly, but Ralph had established himself as a good fellow around the Zete House before entering college. Ralph is that bass in the Glee Club and that splash in the pool. He may live in New Brunswick but he casts an awfully wistful eye toward sunny Florida, at times.

Swimming (3, 4); Glee Club (1, 3, 4).

ROBERT MORRIS FELLER

Scarlet Barb Biology  
15 Delevan Street, New Brunswick

Bob came to Rutgers to increase his knowledge of reading, writing, and "rhythmic." As a Biolog he got plenty of the first two, and three years in the Band took care of the last. Although his activities were confined largely to New Jersey Hall, he found time to become acquainted with most of the Coop watchmen. We will miss him on campus.

Crew (1); Band (2, 3, 4).

JOHN ALFRED FENN

Alpha Chi Rho Agriculture  
96 Grove Street, Englewood

Jack had to do things the hard way. Working into the wee hours in the Alumni Print Shop consumed more time than most students spend on classes and studying combined; yet he managed well scholastically, as his membership in Alpha Zeta testifies. He was invaluable to his fraternity as treasurer-steward. All who know him admire his fine qualities.

Alpha Zeta; Targum (1); Lacrosse Manager (1).

RALPH S. FERENCHAK

Biology  
1718 West 4th Street, Dunellen

Another "biolog," but a little more than that. After three years of New Jersey Hall, Ralph decided to partake more of the cultural subjects. This gave him a few more things he could talk about. He has a pleasing way and his future as an M.D. should be colorful, especially if it matches his ability to rattle the keyboards.

Honor School (2).

ROBERT GEORGE FISHER

Biology

507 East Union Avenue, Bound Brook

Bob is one of those rare pre-meds who seems to find time to excel in endeavors outside of classes. He is a consistent member of the Honor School, yet has swung a mean oar for the Varsity crew these last three years and his voice has rung loud and clear in the Glee Club. His personality qualifies him for a promising future as an M. D.

Honor School (2, 3); Crew (1, 2, 3, 4); Glee Club (1, 2, 3, 4); Scabbard and Blade

BENJAMIN FORER

Biology

Trenton

Ben came to the educational capital of New Jersey from the political capital of the same state. That the transition was not too much for him can be seen from the fact that "Ben" spent four years at Rutgers gaining a wealth of knowledge, a host of friends, and much exercise chasing the Pennsy.

JACK HENRY GALINSKY

Biology

161 French Street, New Brunswick

Jack's four years at Rutgers have qualified him for two degrees: the first in biology, the second for keeping "Connie" Wolf on the straight and narrow. To keep Wolf out of trouble was a full-time job, and 'tis indeed a marvel that it left Jack enough time to become familiar with the interior of New Jersey Hall.

## ROBERT GARDNER

Journalism

42 Bartlett Street, New Brunswick

College to "Smokey" was a series of human interest stories, written and lived through. Dis-jointed and distracted were those years from a chemistry Freshman to a journalism Senior, but never dull nor lacking in imagination. Emerging now from clouds of harried collegiate journalism, he has the weapons of wit and epigram to write new and better stories, and he will.

Targum (1, 2, 3, 4); Pi Gamma; Anthologist (2, 3, 4); Philosophian; Crew (1).

## STANLEY NEWKIRK GAUNT

Agriculture

Elmer

Stan is one of those Poultry Building boys who hails from South Jersey and is proud of it, too. Little did anyone dream that he was to become one of the great bovine judges of the school, nor did he confine his activities to that, but found time for lacrosse and more than an occasional trip to Fanwood.

Alpha Zeta; Lacrosse (1, 2, 3, 4); Ag Club (1, 2, 3, 4); Dairy Judging Team (4).

## MILES HENRY GEER

Scarlet Barb

Liberal Arts

213 South Main Street, Milltown

To work or not to work, a student dilemma: "Whether 'tis better for the soul to suffer the hurts and worries of outrageous study, or to take arms against the sea of troubles and end them by forgetting them." Such a problem has been haunting Miles since his Freshman year. As for him, well, he "takes arms against the sea, etc."

Fencing (3); Honor School (1, 2, 3, 4); Debating (1, 2, 3, 4); Tau Kappa Alpha; German Club (1, 2); Delta Phi Alpha; History Club (1, 2, 3, 4); Lambda Pi Phi.

EUGENE WARREN GEIGEL  
Alpha Kappa Pi                                 Agriculture  
197 Rowland Place, Woodbridge

He came to us from the royal family of Puerto Rico, and while here "Urgly-Gurg" (ask us Alpha Kaps) has mixed activities with serious study. When he is out with the FOO boys, anything can happen. Plant research is his first love, although he has had others. We feel sure that he will be successful in his future work.

Glee Club (3, 4); Band (1, 2, 3, 4); Hortus Club (2, 3, 4); Alpha Zeta; Pi Alpha Xi.

ABRAHAM M. GELFOND  
Scarlet Barb   Education  
1312 Henry Street, Linden

The Proteus of Rutgers—graced with a catholicity of interest—toots a horn, dabbles in non-Euclidean geometry—discourses on philosophy, and engages in debating with equal facility and sustained excellence. He deserts his Ivory Tower frequently enough to break hearts trailing from the inconsequential eminences of the Catskills to the remote corner of the Bronx.

Tau Kappa Alpha; Delta Phi Alpha; Band (1, 2, 3, 4); Commuters' Club (2, 3, 4); Scarlet Barb Council (3); Mathematics Club (2, 3, 4); Debating (2, 3, 4).

SAMUEL GINBERG  
Liberal Arts  
43 Bock Avenue, Newark

Diligent Mr. Ginberg is not a stereotyped individual. Contrary to custom he is an ace at all sorts of statistics and facts, but admits he is not a very good judge of "figures." We see him as a library assistant in more ways than two. If, perchance, you happen to be translating a difficult passage of French, or you are trying to figure out the plot in one of Moliere's plays, or your calculus is very nebulous, Sam seems to pop out of nowhere and solves your problem.

Mathematics Club (3, 4); Honor School (3, 4).

### WILLIAM MILLER

Scarlet Barb

Education

234 Warren Street, Roselle

Dispassionately logical, Bill is a disciple of Spinoza; encyclopedic in knowledge, he is the Hegel of the campus. He lives as a realist yet retains the aesthete's love for music, art, and poetry. His wit enlivens conversations, his learning enriches them. The honors Bill has gained in two years on the "Banks" indicate what he might have done in four.

Kappa Phi Kappa; Philosophian; Commuters' Club (3, 4); Scarlet Barb Council (4).

### DEANE MILLIKEN

Delta Kappa Epsilon

Engineering

R. D. No. 1, Wilmington, Del.

Engineers are often pictured as technical drudges who disdain the activities of this inefficient world. But "P.A." has often abandoned his slide-rule for the divine pleasure of trucking to soft and subtle swing band recordings. However, his willingness to cooperate makes him a man who plays in fun and works in earnest.

Tau Beta Pi; A. I. E. E.

### WILLIAM ALDO MOGGIO

Pi Kappa Alpha

Chemistry

Woodland Avenue, Ramsey

Bill's drive and determination won for him the admiration of his friends. For four years he fulfilled the requirements of a college man, a scholastic leader, a good athlete, and a friend among friends. He leaves respected, admired, and long to be remembered for his wise counsel and helpfulness.

150 lb. Football (1); Basketball (1, 2, 4); Phi Lambda Upsilon.

WILLIS FREDERICK MYERS

Chi Phi Liberal Arts  
337 49th Street, Union City

Jim Myers is a practical idealist. While prone to idealize, he will never let this hinder his tangible progress. There is little of the spectacular in Jim, with the exception of his dancing at times, but he is a climber and usually gets what he wants. Right now he has designs on the stage or in journalism, and we won't bet against him.

Queen's Players; Philosophian.

JOSEPH SAMUEL NAJAVITS

Liberal Arts  
212 Fulton Street, Woodbridge

Joe transferred from the U. of Penn in his second year and then proceeded, because of a Faustian thirst for knowledge, to sit in on every course he couldn't take. So between rushing from Bishop to Van Nest and back again, he had, we suspect, a good time. There is, of course, no accounting for tastes.

Kappa Phi Kappa; French Club (4); Anthologist (2, 4).

DAVID GRAYSON NEANDER

Ivy Lodge Biology  
Saugerties, N. Y.

Dave, who is affectionately known as "The Neeb," has managed to get around both here at Rutgers and on that campus across town. He isn't as quiet as he looks and he can raise trouble enough for any three men when he is in the mood. We wish him all the luck in the world in his career of medicine.

Deutsche Verein (1, 2); Delta Phi Alpha; Scarlet Key; Interfraternity Council (3).

## CYRIL HOWLDEN NIELD

Chemistry

65 Lufberry Avenue, New Brunswick

We shall remember Cyril as the local boy who absorbed all that a college training offers. He missed nothing in the nature of educational, social, or athletic activities. A dancer par excellence, this honor student in chemistry and "whiz" at math is possessed of a strong personality and high intellectual ability which we are sure will lead him to happiness and success.

Swimming (1); Phi Lambda Upsilon; Mathematics Club (3).

## ROBERT F. OGUSH

Phi Epsilon Pi

Liberal Arts

110 West 86th Street, New York City, N. Y.

Big, affable, smiling Bob came swinging into the Rutgers picture. His intrinsic humor and love of fun made him popular among his fraternity brothers. He will long be remembered for his pre-dinner exhibitions of trucking and shagging to the accompaniment of "Louie" Armstrong. In contrast to his happier moments, Bob had a serious and studious nature which we are sure spells success in the business world.

Football (1, 2); Wrestling (1, 2); Track (1); Golf (4).

## JAMES FRANCIS OUGHTON

Kappa Sigma

Education

735 Newark Avenue, Elizabeth

Jim came to the "Banks" to become a teacher and to run on the track team. He succeeded in track the first two years and then concentrated on the teaching. This lad, quiet and unassuming in his freshman year, has developed into a jolly fun-loving senior to whom we wish the best of luck.

Track (1, 2); Cross Country (1, 2, 3); Mathematics Club (1, 2); International Relations Club (1, 2); Newman Club (1, 2, 3, 4); J. V. Football (4); Baseball (4).

## REMIGIO UGO PANE

Liberal Arts

135 College Avenue, New Brunswick

Remigio came to Rutgers from Trenton Evening High School where he graduated at the top of his class despite working 60 hours a week as a shoemaker. Even here he worked his way through repairing shoes. Yet he held an office in all the language clubs, debated, and managed to earn a degree in three years. Graduate school is his next goal.

Debating (2, 3); Italian Club (1, 2, 3); French Club (1, 2, 3); Spanish Club (2, 3); History Club (1, 2, 3); Newman Club (2, 3).

## JOHN C. PATTERSON

Phi Gamma Delta

Biology

R. D. 2, Freehold

"Pat," another one of those self-styled over-worked biologs, expects to enter medical college upon graduation. His debating experience has given him much persuasive ability, and his eloquence is often apparent in history class as well as in many of the Fiji House bull-sessions. The friendships he has made are fitting tributes to his character and good-fellowship.

Debating (1, 2, 3, 4); Crew (1); Targum (1); Deutsche Verein (1, 2); Tau Kappa Alpha.

## WILHELM NAPOLEON PEIGELBACK

Scarlet Barb

Agriculture

1 Second Street, Morgan

"Napoleon" epitomized his namesake during his hectic, whirligig years on the "Banks." Thorough-going "mystery man," he constantly demonstrated the ability to charge in when and where least expected, to stoke greenhouse fires, play politician, appear in classes occasionally, and rise out of the floor at formal dances—after having equipped the attending ladies with corsages from the "Student Florist."

150 lb. Football (2, 3); Debating (1, 2, 3, 4); Pi Alpha Xi; Tau Kappa Alpha; Hortus Club (2, 3, 4); Commuters' Club (2); Ag Club (2, 3, 4).

ARTHUR CLARKE PERRY  
 Delta Phi Liberal Arts  
 Cap and Skull  
 444 Central Avenue, Rahway

The little town of great men crashes through again. As all know, a man of steel on the gridiron, "Major" Perry also shines in the legislative line, and many others. While the very fact that he comes from Rahway will probably assure Art success in any line, he has plenty to back it up.

Football (1, 2, 3, 4); Basketball (1, 3, 4); Boxing (2, 3); Student Council; Scabbard and Blade.

FRANK E. PIECH  
 Chemistry  
 Cheesquake Road, Parlin

Frank works, plays, and sleeps with chemistry and still is unsatisfied; so he expects to undertake graduate work. Students know him as the possessor of a mind capable of using theoretical knowledge in practical work. Despite the vocational aspects of his curriculum, Frank has found time to enjoy liberal views and entertain liberal friends.

FRANK WILLIAM PISCIOTTA  
 Biological Science  
 34 Karsey Street, Highland Park

He came to college with a will  
 To drink of knowledge to the gill.  
 With foam of folly cast apart,  
 He flooded with faith his flagon heart  
 And set upon a flying start.  
 He leaves a scholar deep in thought  
 With all the knowledge that he sought.

Delta Phi Alpha; Italian Club (1, 2, 3, 4).

 R  
 R R R R R R R R

MORRIS PLEVINSKY

Phi Epsilon Pi Agriculture  
1609 Mt. Ephraim Avenue, Camden

Varsity quarterback, censor of Alpha Zeta, Student Councilman, 2nd socialite are combined in "Mush," versatile president, chef, and sole member of the College Farm's "Club Short-Course." After four years of the gruelling grind, he emerges, saturated in coffee of his special blend and slightly bald, but still, unmistakably, the same Russian prince that he was four years ago.

Football (1, 2, 3, 4); Alpha Zeta; Lacrosse (1); Sophomore Hop Committee; Class Secretary (3); Student Council; Ag Club (1, 2, 3).

IRVING B. POLHEMUS

Chemistry  
Englishtown

He came to Rutgers, stayed four years, and still likes it. He has worked here, studied occasionally, and often played. Now, upon leaving, he is both glad and sorry. He knows well that he will miss Rutgers, and we know that Rutgers will miss him.

Phi Lambda Upsilon; Crew (1, 2, 3, 4); Rowing Club (2, 3, 4); 150 lb. Football (1); Boxing (1, 3); Targum (1, 2); Varsity Club (3, 4).

RAYMOND JACOB PONTIER

Scarlet Barb Liberal Arts  
162 Central Avenue, Hasbrouck Heights

At college Ray was quick to make friends who will last a long time. He also won recognition for his athletic efforts and for pushing all Barb activities. Some know that when the Hertzog bell was ringing at four o'clock Hallowe'en mornings, Ray was holding the end of a long rope. Best wishes to a fellow we all like.

Track (1, 3, 4); Scarlet Barb Council (2, 3, 4); Rutgers Christian Association (1, 2, 3, 4); Spiked Shoe; Hertzog Barbs (1, 2, 3, 4); Student Forum Committee (2, 3); Varsity Club (4).

### JOEL LAURANCE PRESSMAN

Phi Epsilon Pi Liberal Arts  
83 Van Wagner Avenue, Jersey City

"Calling-all-men"—Joel, or as we call him, "Barney," is easily distinguished on our campus by his immaculate and fashionable dress. He has achieved an enviable academic record, coupled with a full extra-curricular, athletic, and social background. Happy-go-lucky, always with a smile; it can well be said that "Barney" has had a good, full four years.

Targum (1, 2); "Scarlet Letter" (1, 2, 3); 150 lb.  
Football (1, 2); French Club (1, 2).

### BYRON JOHNATHAN PRUGH

Pi Kappa Alpha Engineering  
230 Kimball Avenue, Westfield

When "Jack" leaves the engineering building with slide-rule and sheepskin, the Profs will all give a sigh of relief. Although a commuter for three years and having no time for athletics, he was like a bouncing ball in his work and technical societies, and could ask the darnest questions. From his keen mind, cynical wit, and boundless ambition, we expect to hear of his "Trans-Atlantic Rocket Service" soon—that is, if he isn't first raising a family.

A. S. C. E.; S. A. M. E.; Tau Beta Pi.

### JACK CLIFFORD RADCLIFFE

Theta Chi Engineering  
535 Trotters Lane, Elizabeth

The treasurer of Theta Chi is a true friend, an earnest worker, and a scholar. Jack combined his studies in one of the school's most difficult courses with many extra-curricular activities and in so doing has gained a host of friends. There is no doubt but that Jack is destined for a high place in the field of engineering.

Track (1, 2, 3, 4); Cross Country (1, 2, 3);  
Spiked Shoe; Tau Beta Pi; A. S. C. E.; Cheer-  
leader (3, 4); Varsity Club (2, 3).

### W. ALAN RAFFENSPERGER

Delta Upsilon

Liberal Arts

Cap and Skull

Greenhill Road, Madison

What attributes must a college man have to be an outstanding figure on the campus? He must be active in college life, a leader of men, a man with personality, a good student, a gentleman. Al is an outstanding college man and success should be his in all future endeavors.

Glee Club (1, 2, 3, 4); Queen's Players (2, 3, 4); Songleader (3, 4); "Scarlet Letter" (2, 3); Scabbard and Blade; Scarlet Key; Rutgers Christian Association (2, 3, 4); Targum (2, 3, 4); Religious Activities Council (3, 4); Board of Managers (3); Freshman Handbook (1, 2, 3), Editor-in-Chief (3).

### JOSEPH CHARLES RAGONE

Beta Theta Pi

Education

127 South Third Street, Camden

Four years ago "Mush" Plevinsky gave a good sales talk, and Joe came to Rutgers. His primary aim was to study, morning, afternoon, and night. But sleeping took up the mornings, athletics the afternoons, and N. J. C. the nights. Joe has made many friends on the football field, in the ring, and the classroom.

Football (1); 150 lb. Football (2, 3, 4); Boxing (1, 2, 3, 4); Track (1, 2, 3, 4); Kappa Phi Kappa; Italian Club; Mathematics Club; Varsity Club; Senior Ball Committee.

### JAMES H. REILLY, Jr.

Kappa Sigma

Liberal Arts

33 Mine Street, New Brunswick

The swimming pool is Jim's second home: where he plays, trains, studies, and works in general. The shower room is his gymnasium: here he wrestles, boxes, dances, and works in general. The Kappa Sigma house is his library: where he plays cards, tells jokes, enjoys a bull-session, and works in general. Generally speaking, though, to know Jim is to appreciate his keen desire to see Rutgers come out on top.

Swimming (1, 2, 3, 4).

E S C A R L E T  
 H  
 T

RICHARD NOLTE RENSHAW

Ivy Lodge Liberal Arts  
 59 Franklin Place, Great Neck, N. Y.

Dick was that scrappy, pugnacious, little center on the Scarlet varsity for the past two years. A popular man on the campus, his caustic humor and love for any kind of horse-play have become a well-known part of our college life. To wish him success is unnecessary because his nature is to never stop until the top is reached.

Football (1, 2, 3, 4); Lacrosse (1, 2, 3, 4); Wrestling (1); Varsity Club (3, 4); Senior Ball Committee.

WARREN LEONARD RESS

Phi Epsilon Pi Chemistry  
 730 Hudson Street, Hoboken

Warren waltzed through college with a girl under one arm and a test tube in the other. Hoboken has been no detriment to this blonde winner of the fairer sex. Striking a more serious vein, Warren has worked hard and leaves college a versatile and well-rounded young man.

Phi Lambda Upsilon; 150 lb. Football (1); J. V. Football (4); Lacrosse (1, 2, 3, 4); "Scarlet Letter" (2).

DANIEL ARTHUR RIFKIN

Education  
 197 Standford Street, New Brunswick

Dan came to college determined to make an enviable scholastic record, and he has succeeded admirably. Hard-working yet pleasure-loving, serious-minded yet possessed of a keen sense of humor, he has taken college life in full stride, resolved to enjoy it to the full. If the past is any indication of the future, Dan will find happiness and success.

History Club (3, 4); Liberal Club (1, 2, 3, 4); Mathematics Club (1, 2, 3); Journalism Club (3, 4); Jewish Student League (2, 3, 4).

R  
 R  
 R

R R R R R R R R R

ARTHUR BERNARD ROLPH

Ivy Lodge Liberal Arts  
245 West Stearns Street, Rahway

Art is a Rahway boy, one all the folks can be proud of. Our so-called "watch charm" guard on that Big Red team may be light, but he is as tough as they come. He has starred for four years on the lacrosse team, and is a whiz in the classroom with the aid of a little course-crabbing now and then.

Football (1, 2, 3, 4); Lacrosse (1, 2, 3, 4).

STANLEY DAVID ROSE

Sigma Alpha Mu Liberal Arts  
518 Beach 68th Street, Arverne, N. Y.

It's no easy matter being a varsity swimmer, a cracker-jack exchequer, a good student, and an ever-so-steady boy friend. But genial, boisterous "Vic" takes it all in his enormous stride, coming out tops every time. Diligence and good nature put him where he is and will help him reach his goal in the years to come.

Swimming (1, 2, 3, 4); Baseball (1).

MORTON MURRAY ROSENBERG

Tau Delta Phi Agriculture  
264A Old Freehold Road, Toms River

"Rosy," Toms River's local boy, has made good. He has been successful in scholarship and in athletics. He has shown himself to be sincere, capable, and dependable. Add to these attributes a quiet weave of pleasing personality and you have a splendid Rutgers pattern.

Track (1, 2, 3, 4); Spiked Shoe; Varsity Club (2, 3); Scarlet Rifles (2); Intercollegiate Poultry Judging Team (3); 150 lb. Football (1); Jewish Student League (1, 2, 3, 4).

## ALFRED H. ROSSOMANDO

Biology

54 Hassart Street, New Brunswick

Al came to Rutgers to prepare for medicine and this he accomplished. However, Al is known to us in two ways, first, as the fellow with a pretty wife, second, as the students' tailor with his familiar cries of, "Cleaning, pressing, and repairing." Al worked for what he received and deserves the success we feel sure that he will attain.

Biology Club (1, 2, 3, 4); Italian Club (1, 2, 3); German Club (1, 2); "Scarlet Letter" (2, 3).

## LEONARD J. ROTONDE

Biology

245 Lake Street, Newark

In his freshman year, "Roty," as he is known to his friends, dropped from the ranks of the "ags" to follow his chief academic interest, biology. His keen wit and general cheerfulness have won him many friends. Although he doesn't stand very high above the lab desks, he has always made his presence felt. Knowing him and his abilities, we are sure that some day he will be called "Doc."

Biology Club (1, 2, 3); Winants Club (1, 2); Italian Club (1, 2, 3, 4); Baseball (1, 2, 3, 4); Boxing (1, 2, 3, 4); R. C. A. (2); German Club (2, 3); Newman Club (1, 2, 3).

## ROBERT ROVNER

Scarlet Barb

Liberal Arts

1143 Main Street, Paterson

After four profitable years on the "Banks," Bob leaves Rutgers to make a place for himself in the world. His ability to get along with people, to accept responsibility, and to think clearly, all of which he has gained here in either his academic or extra-curricular activities, make us confident of the results.

Quad Club (1, 2, 3, 4); Debating (1, 2, 3, 4); Tau Kappa Alpha; Liberal Club (1, 2, 3, 4); Jewish Student League (1, 2, 3, 4); Honor School (1); History Club (2, 3, 4); Scarlet Barb Council (3, 4).

HAROLD LEON RUBENSTEIN  
Scarlet Barb Liberal Arts  
366 Belmont Avenue, Haledon

A true freshman, timid and shy, Hal came to Rutgers eager to learn. Leaning toward academic and scholarly pursuits, he weathered the storms of four years, giving as much along the way as he received. Now he leaves Rutgers bereft of his hesitancy, coveting an honest questioning attitude, and prepared to face the world—a Rutgers man.

Debating (1, 2, 3, 4); Tau Kappa Alpha;  
Deutsche Verein (1, 2, 3, 4); Delta Phi Alpha;  
Jewish Student League (1, 2, 3, 4); Religious  
Activities Council (3, 4); Liberal Club (1, 2, 3,  
4); Honor School (1, 2, 3, 4).

BENJAMIN RUBIN  
Biology

420 Belmont Avenue, Newark

Humorous but grave, satiric but sincere, Ben is a varied and attractive personality; this has made him dear to Rutgers. But in his eagerness to learn he is steadfast; this has made Rutgers dear to Ben. We must let him go now to shed his grace in other paths, but he must always carry a part of Rutgers with him.

MAX RUBIN

Tau Delta Phi Agriculture  
28 Sherman Avenue, Jersey City

"Mac," our Jersey City farmer, is a personage of diverse interests. This poultry student with a bent toward chemistry and biology, found time to become president of his fraternity and to go in for social life. Through these activities he has maintained a stoic clear-headedness which is the source of our enthusiasm.

Ag Club (1, 3); Poultry Judging Team (3); Inter-  
fraternity Council (3, 4); Track Manager (1).

ARTHUR L. RUBY

Sigma Alpha Mu Biology  
 196 North 17th Street, Bloomfield

"Rube" is a gentleman and a scholar—an outstanding example of the fact that one can do well in his studies and still be a regular fellow. Art did so well scholastically that he was one of four Juniors elected to Phi Beta Kappa. Socially he is unsurpassed by his fraternity brothers. S.A.M. owes him much.

Phi Beta Kappa; Beta Iota Lambda; Delta Phi Alpha; German Club (1, 2, 3, 4); Biology Club (1, 2, 3); Honor School (1, 2, 3).

HARRY OSCAR SAMPSON

Chi Psi Agriculture  
 325 Lincoln Avenue, Highland Park

Harry matriculated at Rutgers with the idea of looking forward to those high conceptions and far-away goals for which every true Rutgers man strives. As a freshman, he proved himself worthy of his ideals. His good fellowship is only overshadowed by his generosity, and he lives with his classmates an impression of sincerity, honesty, and gentlemanliness.

ANTHONY PETER SAVARESE, Jr.

Pi Kappa Alpha Liberal Arts  
 83-36 Talbot Street, Kew Gardens, N. Y.

When Tony came to us from John Adams High School, he had no idea that he was to meet his greatest love—crew. He coxed the frosh and varsity and was elected commodore of the Rowing Club in his senior year. In the meantime he has, as records show, been a better than average scholar. We know that he will continue his success at Harvard Law School.

Crew (1, 2, 3, 4); Rowing Club (2, 3, 4); Queen's Players (2, 3, 4); Honor School (1, 2); Anthologist (4).

EDGAR TERHUNE SAVIDGE, Jr.

Agriculture  
Pennington

After spending one year at Penn State, Ed came to Rutgers to increase his knowledge along the lines of scientific agriculture. His interests point to the dairy industry. As a member of the cooperative living group on the campus, Alpha Phalpha, additional knowledge has been secured as to domestic activities. He has been accused of colleging his way through work.

Alpha Zeta; Scarlet Barb Council (3); Football (3); Ag Club (2, 3, 4); Dairy Science Association (2, 3, 4); Intercollegiate Dairy Judging Team (4).

DONALD HAROLD SAXTON

Theta Chi Engineering  
73 Oneco Avenue, New London, Conn.

Don is one of our few engineers who combines hours of laborious class work with various outside activities. He is probably best known for his football; but in Targum, as business manager, and in Theta Chi, as president, his acquaintances know him as a truly conscientious worker whose main idea is to do his job as well as possible.

Football (1, 2, 3, 4); Targum (1, 2, 3, 4); Lacrosse (1); Wrestling (1); Targum Council (3, 4); A. S. M. E.; Varsity Club (3, 4); S. A. M. E.

SIDNEY LESTER SCHAEFER

Tau Delta Phi Biology  
131 Scheerer Avenue, Newark

With the gesture of a Cyrano de Bergerac, Sid swept through Rutgers on his way to med school. His effervescent yet charming manner won him valuable friendships among both the student body and faculty, and now he leaves many who wish him success and happiness in the years to come.

Biology Club (1, 2, 3, 4); Debating (1, 4); German Club (1, 2, 3, 4).

FREDERICK CARL SCHMIDT, Jr.

Raritan Club                                  Engineering  
110 Garrison Street, Newark

On coming down to Rutgers, Fred soon proved that good things come in little packages. Then too, he also proved that wrestling should not be confined to gymnasium precincts and when not seen on the mats, he was sure to be seen wrestling on a dance floor. If he carries his usual enthusiasm into the field of sanitary science, nothing should be able to stop him.

Scarlet Key; S. A. M. E.; Wrestling (1, 2, 3);  
Track (2, 3); Baseball (3); Biology Club (1, 2,  
3); German Club (1, 2); R. C. A. (1, 2, 3).

RICHARD LEWIS SCHULTZ

Liberal Arts  
1 Perry Avenue, Trenton

Dick passed his first two years at the University of Delaware and spent his Junior year in France at the University of Paris. Now he thinks he's an infallible expert on European questions. He would like to begin improving French pronunciation of New Jersey high school students soon.

SAM HAROLD SCHURR

Liberal Arts  
37 John Street, New Brunswick

An economist by choice and a pun addict by nature, Sam is indeed a rare combination. Since he is no mere follower of the straight and narrow academic path, he has received recognition in various fields. An Eastern Intercollegiate debate championship and the Peter Spader prize in history are two of his most valued possessions. We feel sure that Sam will be a valuable addition to the field of government service.

Debating (1, 2, 3, 4); Tau Kappa Alpha; Honor  
School (1, 2, 3, 4); Liberal Club (3, 4); History  
Club (2, 3, 4); Targum (1).

ORLANDO D. SCOPPETTONE  
Delta Kappa Epsilon Liberal Arts  
30 Van Ness Place, Newark

A philosopher par excellence, and one of Dr. Wild's mystics. He gave up the guitar because it was neither aesthetic nor ethereal. It's very seldom that "Orley" gets angry, but he often sees red. People get in his hair. He likes to be alone. But we still like "Orley."

H. LEONARD SHACHNOW  
Phi Epsilon Pi Liberal Arts  
195 Bennett Avenue, New York, N. Y.

"Lefty Gomez" Shachnow pitched himself into Rutgers life successfully. Lenny had a high hitting average in scholarship, friendship, and on the athletic field. In his serious moments he was president of Phi Epsilon Pi. He leaves as a man of whom Rutgers can well be proud.

150 lb. Football (1); Honor School (1); Baseball (1, 2, 3, 4); Debating (3, 4); Senior Ball Committee.

VINCENT DePAUL SHAY  
Kappa Sigma Liberal Arts  
582 Barron Avenue, Woodbridge

Vinnie came down to college largely in search of knowledge, but he left the search to play with his colleagues; and now he numbers his friends by the score. He has enriched by his friendship those who have been fortunate enough to have met him during his stay on the "Banks."

Interfraternity Council (3, 4); Basketball (1); Tennis (1, 4).

E S C A R L E T

HERBERT MANSFIELD SIMONSON

Biology

202 Osborne Terrace, Newark

"Doc" came to Rutgers as green a freshman as ever walked into an English placement exam. Now he leaves us as a careful, thorough-going student, taking with him the sense of humor which has made him a welcome member of his class and the mind which has given him much success scholastically.

Beta Iota Lambda; Honor School (1, 2, 3, 4); German Club (1, 2, 3); Biology Club (1, 2); Track (1).

HILYARD STOKES SIMPKINS

Raritan Club

Agriculture

Burlington

One hundred and eighty-seven pounds of brawn and muscle from a Burlington County farm by way of Mercersburg gave Rutgers an outstanding athlete. "Hilly's" smile and pleasant manners procured him many friends but above all the approval of one of N. J. C.'s fairest. If these accomplishments are a measure of success, "Hilly's" life will be a fruitful one.

Football (1, 2, 3, 4); Baseball (1, 2, 3, 4); Ag Club (4); Varsity Club (3, 4).

DONALD ARLEIGH SINCLAIR

Liberal Arts

407 Harrison Avenue, Highland Park

Don is an unassuming student with a profound respect for learning and unusual assortment of interests. His energies have been divided among excursions into one language or another, work at the library, a consuming enthusiasm for local history and research, and—oh, yes!—his studies.

Delta Phi Alpha; German Club (3, 4); History Club (3, 4); Honor School (1, 2, 3, 4); Italian Club (4).

## ROBERT SLUTZKY

Education

114 Millford Avenue, Newark

Bob came to Rutgers after two years at the University of Michigan. After making his acquaintance, we regretted he hadn't come here sooner. His pleasant nature and sincerity are well known by many. Besides being a regular fellow, he is also a scholar. Here's to more fellows like Bob!

Kappa Phi Kappa; History Club (3, 4).

## MARTIN SMIRNOW

Phi Epsilon Pi

Biology

5601 14th Avenue, Brooklyn, N. Y.

"Marty," master of weird musical instruments, has given his companions about him a fine example of good fellowship and seriousness of purpose. His natural exuberance and competitive spirit on the football field are indicative of real character. Such attributes will be a great credit to his chosen profession.

Football (1, 3, 4); Wrestling (1).

## BAYLIES UPHAM SMITH

Scarlet Barb

Agriculture

786 Valley Road, Upper Montclair

"Tommy" found following in the footsteps of his brothers a difficult task. He did manage to star in cross country and flash "across town." The last of the Smith tribe who "colleged his way through work" leaves a smile and a word of encouragement to all behind him who have to travel the rocky path to a college education.

R. C. A. (1, 2, 3, 4); Cross Country (1, 2, 4);  
Track (3, 4); Spiked Shoe; Varsity Club.

## HAROLD KULLMAN SMITH

Education

Jamesburg

After spending a half year in the Blue Ridge Mountains, at Roanoke College, "Smitty" came to the "Banks" in 1934. By perseverance and hard work he has attained scholastic honors and has made many friends. We know him to be sincere, honest, and steadfast.

Kappa Phi Kappa.

## THEODORE DRUKE SPIELER

Liberal Arts

31 Courtlandt Street, New Brunswick

Pseudo-intellectual, mediocre male,  
Disgruntled dilettant, disillusioned doctrinaire;  
Misdirected student, cynic, self-contained,  
Sublimated youth, idealist unrestrained.  
But petty academics comprise not his only care,  
For human values studied lead surely to  
despair;

Diversion for his vigor, his fundamental forte  
Without doubt is tennis—a true lover of the  
sport.

A. EDWARD THOMPSON, Jr.

Scarlet Barb Liberal Arts  
87 Oakview Avenue, Maplewood

Ed's Sunday morning dashes from train to chapel have become proverbial by now. Like most of us, no superman, he has managed to do a fairly creditable job of playing in the Band and leading that organization, dabble on the tennis courts, liven otherwise dull bull-sessions, and obtain a more than decent grade in all his courses.

Band (1, 2, 3, 4); Honor School (2, 3, 4); Debating (2); Quad Club (1, 2, 3, 4).

FREDERICK BAURIES THOMPSON, Jr.

Biology

Montrose Road, Marlboro

Procrastinator par excellence. Entered Rutgers four years late. Procrastinated his way through classes, and so forth. Can't decide whether he works in his spare time or goes to college then. Hopes to be an M.D. Wants to borrow "five grand" so he can go through medical school without always putting off until tomorrow what ought to be done today.

ALBERT TIMKO

Agriculture

404 Union Street, Trenton

After four hectic years, and in spite of numerous heterogeneous circumstantial difficulties, Al managed to get a B.S. degree which he values more dearly than all the gold medals that he has won as Eastern Collegiate breast-stroke champion and record holder for the past few years. Loyalty in friendship combined with sincerity in effort are Al's attributes.

Swimming (1, 2, 3, 4); Ag Club; Varsity Club.

STANLEY EDWARD TRACZEWSKI

Engineering

115 Sussex Street, Jersey City

Stanley, like most of us, started his college adventure as a fun-loving freshman. But with age comes responsibility and he settled down, a serious young man with a determination to become successful in the engineering profession.

A. S. C. E. (1, 2, 3, 4); Polish Club (1, 2, 3, 4).

### LEONARD TROAST

Scarlet Barb

Biology

462 Clifton Avenue, Clifton

There has been no settling down on the "Banks" for Len. A varsity letter, leadership in extra-curricular activities, high scholarship, and also continued unrest until the week-ends when a certain train left for a certain town up Newark way are all ample proof. A swell fellow who deserves our strongest wish that the time will come when we can call him "Doc."

Swimming (1); Water Polo (1, 2); R. C. A. (2); Winants Club (1, 2, 3, 4); Biology Club (1, 2, 3); Beta Iota Lambda; Honor School (1, 2, 3, 4).

### WILLIAM E. UR

Scarlet Barb

Liberal Arts

417 Compton Avenue, Perth Amboy

The Perth Amboy "flash" came to Rutgers to prepare for law school. After two years he decided to stay two more in order to learn the second verse of his Alma Mater, how to hold six different jobs, and how to drive a Cadillac—in which he would gladly have given anyone a ride to Perth Amboy on Tuesday if he wanted to go on Sunday.

R. C. A. (1, 2, 3, 4); Basketball (1).

### FREDERICK E. G. VALERGAKIS

Biology

14 Catherine Street, New Brunswick

The quiet, unassuming scholar who keeps plugging, possessor of a keen analytical spirit, our idea of the professor's model student. The family is full of doctors, and Fred has literally imbued himself with their traditions. You have to know him to appreciate him.

Honor School (1, 2, 3, 4); Biology Club (1, 2, 3); Beta Iota Lambda.

H. PETER K. WALMSLEY

Delta Phi Agriculture  
82 Grove Street, Montclair

All Rutgers was impressed with Pete's genuine sincerity and generous personality four years ago, and his stay here has altered him not a bit in this respect. He is now well prepared to operate a modern dairy farm. Pete is the kind of fellow who really increases one's faith in humanity.

Crew (1, 2, 3, 4); Rowing Club (3, 4); Scarlet Key; Scabbard and Blade; Swimming Manager (1, 2); Dairy Science Association (3, 4).

WILLIAM WILLIAMS WALMSLEY

Delta Kappa Epsilon Liberal Arts  
82 Grove Street, Montclair

A transfer from Colgate gifted with a magnetic personality and aided with an ingratiating smile, "the Walms" has made a niche for himself in the memory of many on the "Banks." A martyr to the cause of necessary order, he has done well in making the Dekes toe the mark.

Crew (2); Lacrosse (3, 4); Honor School (2, 3); Scarlet Key; Spanish Club (4).

ARTHUR ROBERT WECKER

Sigma Alpha Mu Biology  
34 Poplar Street, Jersey City

With deceptive ease Art has calmly taken in stride during his four years on the "Banks" every step toward his goal—a full college life, academically, athletically, and socially. However, his goal is not yet reached, for Art is a "pre-med." Everyone who knows Art is sure that he will make a successful doctor.

Honor School (1); Baseball (1, 2, 3, 4); Basketball (1, 2, 3, 4); J. V. Football (4); Boxing (4); Delta Phi Alpha; German Club; Biology Club.

ERWIN K. WEITZ

Sigma Alpha Mu Liberal Arts  
310 7th Street, West New York

"Itzy" is a pair of happy-go-lucky twins from Weehawken who was transplanted to the "Banks" to spend four years and his father's money, both of which he has succeeded in doing. Recently a "magnificent obsession" has entered the scene.

Wrestling (1); Football (1); Targum (1, 3); History Club (2, 3); Jewish Student League; Liberal Club.

LORENZ A. WENDEL

Engineering  
744 Jackson Avenue, Elizabeth

Despite the fact that he has been commuting for four years, "Wendy" has found time to mix the social side of college with his engineering and enjoy both. Four years near the "Coop" and he still gives the girl friend back home the top rating—that explains somewhat the type of our "Wendy."

A. I. E. E.; Commuters' Club (1, 2, 3, 4).

JOSEPH WILLIAM ALBERT WHITEHORNE, III  
Zeta Psi Liberal Arts  
31 DeWitt Avenue, Belleville

At first we did not know what to call him, but we finally compromised on some informal nicknames. Joe spent much of his time on the drill field leading the Scarlet Rifles. Every afternoon found him walking to the other side of town—to crew practice.

Scabbard and Blade; Scarlet Rifles (1, 2, 3, 4); Crew (1, 2, 3, 4); Rowing Club (2, 3, 4).

LEONARD JEROME WHITKEN

Education

1056 North Avenue, Elizabeth

Lenny spent the last four years commuting from Elizabeth to Bishop. Although his campus activities were limited, his cultural and social life (particularly in and near Elizabeth!) rose to new heights. He will be remembered as a gentleman and a real friend.

WILLET FRANCIS WHITMORE, Jr.

Kappa Sigma Biology

30 Riverleigh Place, Amityville, N. Y.

It hardly seems possible that "Willie" has completed his four years of pre-medical training and is about to continue in this course for his final degree. With such diligent work, success is not a question; for success is within "Willie" himself.

Swimming (1, 2, 3, 4); Delta Phi Alpha; Interfraternity Council (3, 4); Honor School (1, 2); German Club (1, 2, 3, 4); Baseball Manager (1, 2).

CLINTON HARRY WILBER

Liberal Arts

28 McLaren Street, Red Bank

Clint transferred from Monmouth Junior College where he was elected president of the student council. At Rutgers he was classified as class of '39, but because of his ambition to be out in the business world as soon as possible, he worked out extra courses and now belongs to '38.

Office hours by arrangement, fees only upon satisfactory solution of your problem, all strictly confidential. (Adv.)

LOUIS WOLFSON

Chi Phi

Journalism

257 Livingston Avenue, New Brunswick

Having lived in town most of his life, Lou did not have far to travel in 1933 to win the friends he could not avoid finding. Witty but not cynical, gay but not flippant, a natural sophisticate from the time he entered college, Lou will always leave people happier than he found them.

Tennis (1, 2, 4); Boxing (2, 4).

BEN FRANKLIN ZAMOST

Liberal Arts

24 North Third Avenue, Highland Park

Combining studies with work has been Ben's fortune for the past four years. Each afternoon he dashed off to help at his father's lumber yard. Yet he found time for recreation, as well as to gain a high place scholastically. But most of all, Ben has gained a host of friends by his cheery disposition and friendly helpfulness.

Honor School (1, 2, 3, 4); J. S. L.

# JUNIORS

# HISTORY OF THE CLASS OF 1939

Russell B. Frizzell, Historian

President .....Grover K. Coe  
 Vice-President .....William S. Lakamp  
 Secretary .....John R. Casey

"'39!" For us, an intensely meaningful figure, representing as it does four years of our lives; four years in a tempo never to be recaptured. But just what does "'39" mean to those who are not members of our class? To the faculty, we are one more of the classes which have passed by since 1766 and will continue "ad infinitum." How have we distinguished ourselves from those others?

Our early days on the campus were rushed and yet nostalgic; soon succeeded by steady routine which was broken only by trips around the corner or to Doc's. Freshman tie and dink were replaced by gaudier clothes, as sophomores, but not until this year were certain of us mentioned as "well dressed men on the campus." After two years of quizzes and examinations, we are fewer in number than at first, but we are also secure in the knowledge that only those of us with the will to work have remained.

The school year started, as always, with the football season. We contributed Jack Casey and Walt Bruyere to what proved to be the last Tasker machine. These two men will prove to be a good nucleus for next year's Harman team with Paul Harvey, Herman Greif, Paul Bednarczyk, and Parker Staples. Football is the major fall sport on our campus and we are proud to be able to count so many of our members on the squad.

Juniors were represented in the two major winter sports. On Coach Hill's basketball team were George Buttle and Boris Schwartz who with Bob

Simms will be varsity next season. Bill Lakamp and Johnny Winter supported the swimming squad which had a successful season as usual.

Besides the sports already mentioned, juniors were active in the minor fall and winter sports. Members of the class were on the cross country, boxing, and wrestling teams.

Crew is at present the only year round sport on the campus. When the shells cannot be taken out on the river, the rowing machines in the gym are used, but early in the spring out go the shells on the Raritan again. Several of the oarsmen are juniors, chief among whom is Jack Sailer, and they will probably be in the varsity boat next year.

As this publication goes to press, spring sports have scarcely begun, but already juniors have begun to work out with the different squads. At the close of the baseball and lacrosse seasons the Junior Class will be able to congratulate those among her members whose activities were conspicuous.

Again this year the Scarlet Key Society acted as hosts of the University to visiting teams. Competent members of '39 were tapped to carry on this worthwhile activity.

Revival of a Varsity Show after 23 years was largely the result of effort on the part of members of the Junior Class. In future years we may see a show comparable to those of other universities which will tour the East as theirs do.

The Junior Prom was the most successful of the dances so far this year. The decorations were particularly effective in transforming the gym into a place quite unlike itself. We were fortunate in being able to bring a member of the Royal Family of Swing to the campus, Duke Ellington and his orchestra. All our thanks to Bill Lakamp and his committee!

With class elections coming up, we are faced with the decision of choosing the men who will guide us during our last year as undergraduates. Other members of our class will become members of Student Council which is the administrator of student life on the campus. During the past year we have been led by Dick Coe as president, and Jack Casey as secretary-treasurer; we must pick the men to whom we will be responsible as seniors.

Major campus publication, "The Targum," has a new editor-in-chief and a new business manager in Earl Reed Silvers, Jr., and Joe Wright respectively. Ned Gerber and Al Wilson are the junior editors of this yearbook. Glee Club and debating complete the roster of non-athletic activities; both are well supported by '39.

Scholastic activities have by no means been neglected by the junior class. Already Phi Beta Kappa has chosen John Ludlum, Harvey Einhorn, George Reynolds and Earl Reed Silvers; next year more will be picked. Philosophian has eight new members from the class of 1939, and four others will be tapped in the fall.

The end of our Junior Year is rapidly approaching, but our biggest year is yet to come. As seniors we must begin to face the problem of the kind of alumni that we will become. When we receive our degrees, will we forget these four years so nearly over or will we enter the ranks of those Rutgers Alumni who actively support the college and participate in the activities which add credit both to their classes and to the name of Old Rutgers? Our last year on campus will either unify or disintegrate our class and mold the decision; which will it be?

# THE HISTORY OF

William John Schooley, Historian

President ..... John Douglas Hotchkiss  
Vice-President ..... Robert A. Aubry  
Secretary ..... Carleton C. Dilatush

With two years completed of its four year stay on the "Banks," the class of 1940 has reached the mid-way mark. We have completed half the journey towards graduation. We are now at the turning point of our college career. From now on each thing we do, each deed that we accomplish, is one step nearer our goal—that of graduation into the outside world.

As Freshmen we entered Rutgers some 450 strong. Our start was an auspicious one, and as we finished our first year we had started to build a record of which we may well be proud. Upon returning to school in the fall, we were aware that we had grown into full-fledged Sophomores. The shoe was now on the other foot. No more hazing, green ties, dinks, etc., for us. The so-called worm had turned; it was now our turn to make the Freshmen feel our wrath. A step in this direction was started when the Sophomores organized a Vigilance Committee to see that the Frosh complied to all the rules and regulations. The Freshmen had grown lax in their regard for past traditions. Our ego was flattered, however, when after a week's existence of the committee, a marked change in attitude was shown by the lowly neophytes.

As a result of the elections held last Spring, our class has been led this year by three of the outstanding men on the campus. Doug Hotchkiss, member of the Theta Chi fraternity, was elected president; Bob Aubry, member of the Delta Phi fraternity, was elected vice-president and chairman of the Soph Hop; and Carlton Dilatush, member of Alpha Chi Rho, was elected Secretary and Treasurer of the class.

The Soph Hop, held in the gym on December 4, with Bob Aubry in charge, marked the debut of

# THE CLASS OF 1940

the class in the social world. Over 500 couples danced to the music of Red Nichols and his famous "Pennies."

It was in the athletic world, however, that our star shone the brightest. The Scarlet eleven found many of the '40 class within its ranks. Bill Trana-vitch, "Shorty" Shanck, Lenny Cook, Doug Hotchkiss, Charles Craig, and Bob Aubry, all played a major part in aiding Rutgers to glory on the gridiron. It is these men who will form the nucleus for next season's team under the tutelage of Harvey Harman, former coach at Pennsylvania University, who succeeds J. Wilder Tasker as head coach at Rutgers.

The coming of winter brought with it basketball and swimming. Harold Kaplan and Jim Faber both played under Frank Hill's basketball squad, while Coach James Reilly's natators were given invaluable aid by Jim Barnes, Bill Kirk, Dick Van Nostrand, and Frank Paret.

The class continued their brilliant work in crew. Among the names of Scarlet oarsmen such men as Ken Asby, Doug Hotchkiss, Ken Mehrhoff, and Homer Zink, must certainly be included.

Not only in athletics, however, has the class of 1940 bent its efforts, but in the Queens Players, Targum, Glee Club, Debating, and the Anthologists, and other various college organizations, '40 has given its best support. Class spirit, which is a band that holds a group together, is certainly not lacking as evidenced by the support of the class to the various activities, dances and this year's varsity show, given for the first time in 25 years.

In a football game there are four quarters; so too, in a college career there are four years. The first half has ended; we have proven ourselves capable and worthy to continue towards a degree from Rutgers and take our place along with other Scarlet alumni. We still have, however, two more years. We must not think of them as two years in which we must not only protect our past deeds but also try to improve and strive for greater accomplishments. The team who is ahead when the half-time whistle blows, and then rests on its laurels does not always win the ball game. It is up to us as members of the class of 1940 to continue to do our best and to add new accomplishments to our already bright record.

Charles H. Prout, Jr., Historian

New Brunswick, N. J.,  
End of the 1937-38 Term.

Dear Old Queen(s):

We of the class of '41 have decided to write you this letter recounting our activities and achievements for our first year on the "Banks." We felt that with all the upperclass activities, a new stadium nearing completion, and a much longed-for Student Union Building to occupy your attention you may have overlooked us, even though we are the largest freshman class you have thus far seen. Until now we have rather hesitated to try to attract too much attention to ourselves, but since we will soon no longer be the "infants" of the school, we feel it is time we spoke our piece.

We came to you in September as unversed in the ways of college as any freshman class might be, but after becoming oriented to the new life that you offered to us, we settled down in earnest for the first term's work. One thing that we did miss at this early point in our college careers was the much talked-about freshman "Peerade." We hope that this will soon again find its place among your traditions.

By the time the first football game had come, we knew almost all of the songs and cheers and were made to feel that we were on the road to becoming Men of Rutgers. We obtained a true taste of the Scarlet Spirit when the team was undefeated in its first four games. This was all topped off by that memorable game at Princeton, with a goodly portion of our class travelling to our neighboring school. Although the rest of the season was not so successful, we now knew that we could be justly proud of our team and college.

However, we do not want you to think that we were negligent in turning out for our own class teams. Our own freshman football team, while going through a disastrous season, brought forth such outstanding players as Jim Wallace, Vinny Jefferds, Ray Foster, and Ralph Schwartz. Our basketball team was also well represented by Ken Omley, Frank Brock, and Bob Buttle. Not in these sports only but in all activities open to us did we have large numbers of our group participating. All of these were not athletic either, members of the class winning places in

# HISTORY CLASS

# OF THE OF 1941

the Targum, "Scarlet Letter," Glee Club, Scarlet Rifles, freshman debating team, and the various curricular clubs. Some of our campaigns have not been so successful as others, but we feel that in all of them the true Rutgers spirit was displayed.

Just as in all other freshmen classes which have come to you, we soon learned why the "coop" telephone numbers were placed in the back of our Freshman Handbooks. However, after the Freshman Reception, which we will all remember for a long time to come, we knew which numbers should be used most frequently. Our only regret about the reception was that President and Mrs. Clothier were unable to attend.

Just after the end of the first marking period, we found ourselves enveloped in a mad, gay fraternity rushing season. We hardly knew whether we were coming or going, with lunch at the Chi Psis or Dekes, dinner at the Betas, and the next day filled up by the DU's and Theta Chis. There were all forms of entertainment from smokers to free trips to the Lafayette football game, but since all good things must end, this period of "concentrated" rushing was called to a close in two weeks. At that time many of our number pledged to the different houses, but there are still a goodly portion who remained neutral. By the way, Old Queen's, we want to thank you for having deferred rushing; that gave us a chance to become accustomed to college life before we were completely swept off our feet by the kindnesses of the fraternities. We think it's a swell idea.

Even mid years could not throw too much of a wet blanket on the spirit which had been ignited in us at the beginning of the year. Although a considerable number of us did not return for the second term, we continued to carry on as we had started out. We now feel sure that all of our class officers and other extra-curricula men who have represented us so brilliantly this first year, will return as sophomores to carry on their work just begun.

Now in closing, Old Queen's, we would like to thank you for all the opportunities you have offered us to display our abilities and occupy our interests. We hope that we may continue on in our remaining three years with you to be some of the best Men of Rutgers you have ever had.

Signed,

The Class of 1941.

**E**PSILON CHAPTER of Delta Phi was founded in the year 1845. A group of nineteen men organized the first fraternity at Rutgers under the leadership of William H. Ten Eyck, who had become acquainted with the ideals and purposes of Delta Phi from the mother chapter of the fraternity at Union College in Schenectady. The purposes of these men were to consolidate their interests and at the same time mutually benefit each other, to maintain high standards as students and gentlemen, and to foster cordial and fraternal relations. Delegates from the already existent chapters at Union College, Brown University, New York University, and Columbia University initiated the Rutgers men into Delta Phi, after accepting their application.

During the first forty-two years of the fraternity's existence, the members held meetings in rooms secured here and there in the city. The first chapter house, located on Hamilton Street next to New Jersey Hall, was acquired in 1887. Until it was destroyed by fire in 1930, this became the meeting place and living quarters of the brothers. Several additions and alterations were made.

After the fire, a new and larger house was purchased, instead of rebuilding on Hamilton Street. The new house was enlarged, made colonial in style, and adapted to the uses of the fraternity. It was the former residence of John T. Hill, President of the Ninth National Bank of New York, and later of James W. Johnson, President of Johnson and Johnson Company.

The fraternity has always remained true to the principles set forth by its charter members. It has remained strictly a literary and social fraternity.

THE founding of the Delta Chapter of Zeta Psi forged the third link of the fraternity, coming a year and a half after the founding of the first chapter in 1846. At that time two literary societies controlled the campus and were in the midst of a life and death struggle with Delta Phi. As a result, the attitude towards Greek fraternities was not very enthusiastic and so Zeta Psi didn't blossom forth officially for another year.

Several Philocleans and Peithosophians were taken into the chapter at that time and by the fall of 1849 the chapter roll boasted about a dozen well-chosen men. In the next three years twenty-eight men were initiated.

The success of the Delta was so notable that it led to the setting up of six other chapters within the fraternity. Thus Delta's name, "Mother of Chapters," originated.

After surreptitious meetings in haylofts and back rooms, the chapter bought its first house, on the present site, in 1889, in order to "keep up with the Delts" who had preceded the Zetes in the matter of a house, by two years. The present structure replaced it in 1925.

The period of the World War was a trying one for the Zetes. The following years were better and with the aid of illustrious alumni a large membership resulted. In 1930 the Delta supplied the ninth national president of the fraternity; and the members of the Delta proudly note that it possesses the longest unbroken history of any chapter in the fraternity.

THE Rutgers chapter of Delta Upsilon was founded in 1858 as the first anti-secret society on the campus and received its charter in May of the following year. At the time of its union with the national group, there were only eight other colleges, all but one in New England, represented in the National Fraternity. At the turn of the century, thirty-eight chapters in all parts of the country were on the national roll book, including McGill and Toronto Universities in Canada. At the present time, there are sixty-one chapters spread out over twenty-five states from coast to coast and in four Canadian provinces, thus giving the fraternity an international aspect.

The local society had no house on the campus for several years, as was the case with most of the Rutgers fraternities, but soon moved into the frame dwelling that stood between the library and the Engineering building. In 1929, the new College Avenue home was finished, the members moved in, and the old house was torn down.

The Rutgers Chapter has contributed a number of famous men, among whom are: Harlan Besson '07, United States District Attorney; D. Frederick Burnett '01, State Commissioner of Alcoholic Beverages; Clarence E. Case '00, Justice of the Supreme Court of New Jersey; Valentine B. Havens '12, Rhodes Scholar and athlete, now a prominent lawyer; and F. Marmaduke Potter '09, Rhodes Scholar, now Treasurer of the Board of Foreign Missions of the Reformed Church of America.

I N 1884 an earnest group of young men at Yale gathered together in order to form a literary society. This society subsequently bore the name of Delta Kappa Epsilon Fraternity. After its inception at Yale the group thought they would give their good work to other colleges, and in 1861 founded a chapter at Rutgers.

The circumstances of the founding of the chapter do not differ materially from those of the founding of many other chapters of this fraternity. The Rutgers group met in a small room on Burnett Street. From there they moved to Hiram Street. Due to the increasing strength of the organization, they found quarters at 78 College Avenue, which provided ample room for their development. The present chapter house was erected in 1929, due to the work of the active chapter and the gracious gifts of the Alumni.

The high ideals and traditions of the national organization have produced such outstanding citizens as President Theodore Roosevelt, Senator Albert J. Bereridge, Admiral Peary, White-law Reid, Henry Cabot Lodge, and a host of others.

Jeck, John Frederick Lear, Arthur Richard Litterst, John Edward Nugent, William Thomas Peach, III, John B. Prior, George Carl Reimers, Frank Coleman Scanlon, Edward Bert Styles, Jr.

THE Delta Chapter of Chi Phi was established on the Rutgers campus on March 19, 1867, when seven undergraduates were granted a charter, and has maintained an unbroken existence for seventy-one years.

With twenty-five active brothers at the present time, the roll contains four hundred ninety-seven members, of whom nine are affiliates and eighty-six are deceased. Seventy-seven members of the chapter were in the World War, nine of whom had seen military service prior to 1917.

"Pinehurst," the present chapter house of the Delta Chapter, was built in 1910, having the distinction of being the first house on the Rutgers campus erected for the sole purpose of fraternity use, and was rebuilt and modernized a few years ago. The ivy which remains on the walls was imported from the chapter at the University of Edinburgh, Scotland, established by the brothers of the southern order of Chi Phi, who were students at that institution.

Of the four original chapters in the Hobart Order of Chi Phi, the Delta Chapter is the only one which has survived. The chapter celebrated its two thousandth meeting in 1934.

Although the fraternity does not lean toward any particular type of student, the members are active in all campus activities.

# Beta Theta Pi

89 CHAPTERS

Founded at Miami University, 1839

BETA GAMMA CHAPTER

Established in 1879

FRATRES IN FACULTATE: Herbert Randolph Cox, William Hayes Fogg Lamont, George Augustus Osborne.

CLASS OF 1938: George M. Hallock, Edward W. Markey, Walter A. Martin, Joseph C. Ragone.

CLASS OF 1939: Chester A. Boyer, George M. Buttle, Parker Staples, Henry J. Tilton, James E. Wood.

BETA THETA PI is one of the oldest, largest, most virile, and most highly esteemed of American college fraternities. It was the first national secret fraternity. The others, with the exception of a non-secret organization, were sectional in character. The fraternity is now represented by forty-two thousand members in all centers and corners of the United States, and all parts of the world.

The present Beta Gamma chapter was originally the Alpha of Alpha Sigma Chi, an eastern fraternity of seven chapters. The chapter was formed secretly and slowly, the members being carefully questioned before actually being invited to join. The meetings were first held in a room over a store downtown. In 1879 the midwestern Beta Theta Pi merged with Alpha Sigma Chi in what has since been known as the Alpha Sigma Chi Alliance.

Since 1879 the Beta Gamma of Beta Theta Pi has served a noble existence on the Rutgers campus. The undergraduate members of the chapter have always been found in athletics and other activities of the college. Much of Rutgers history relates their exploits. In alumni affairs, the graduates continued to do their share and many also distinguished themselves in the state and the nation.

The chapter of the fraternity has always maintained the high principles of a united, mutual fellowship and a genuine application to scholarship.

ALPHA RHO of Chi Psi was founded in 1879. Its founders were men of high ideals, members of a local literary society called Alpha Theta, whose roster of fourteen men included seven Phi Beta Kappas.

Chi Psi was the seventh fraternity to be founded at Rutgers, but it had the proud distinction of owning the fraternity house in New Brunswick. The first lodge was located at the present headquarters and proved ideal for a fraternity house.

The war period was a time of despair for many of the brothers. Chi Psi suffered at this time but during the post-war period a definite effort was made to bring Alpha Rho up to its previous excellent state. Thanks to the brothers who were in college at that time and to the ever-zealous support given by the alumni, the lodge was put back on its feet.

In 1923 the "Rho Boat," the Alpha publication, first went to press, and from that time to the present has continued to be a marked success.

One year later ground was broken for a new lodge, and in the ensuing two years the work of collecting the funds and building the new home was consummated. In the spring of 1926 the actives moved into the present lodge.

The fiftieth anniversary of Alpha Rho of Chi Psi was marked by an inspiring reunion and banquet. Since that time eight more years have been added to the history of Alpha Rho; fifty-eight years of toil, sacrifice, ambitions, progress, and hopes for the future.

# Pi Kappa Alpha

79 CHAPTERS

Founded at University of Virginia, 1868

ALPHA PSI CHAPTER

Established in 1904

FRATRES IN FACULTATE: Roy C. Bossolt, Alan E. James, Richard Morris, Thomas Vassar Morton, Sr., Clarence Eugene Turner.

CLASS OF 1941: John L. Clark, Robert Jerome Holland, Clarence Lamont MacNelly, Jr., Robert Frederick Walter von Schenk.

ON May 3, 1913, five men, Walter A. Couzzens, Frederick James Johnson, Thomas Vasser Morton, Homer Lotts Sheffe and Joseph Kirk Folsom, were awarded a charter of the Pi Kappa Alpha fraternity.

The chapter established by this charter was inducted by 15 members from the Alpha Epsilon chapter of New York University and had as its first home, a building at 17 Mine Street.

As the group expanded, more room was needed and the present chapter house was purchased by the alumni body.

With renewed vigor, after the great war, Alpha Psi continued to grow. Since that time, it has never once faltered, always keeping its firm standing among the other groups on the campus and never once losing sight of the ideals and principles set before it in its charter.

Through its 24 years of existence on Rutgers campus, Alpha Psi has constantly remained true to its major purposes. The number of influential men graduated from its bosom are too numerous to name here. Suffice it to say that as the years pass Pi Kappa Alpha on the Rutgers campus will remain a strong rational group, recognized among its associates and ever honored by those bonded together within it.

In addition to representation in campus activities the chapter boasts a tri-annual publication, the "Alpha Psi News." An active Mother's Auxiliary functions, whose interests and aid have been extremely felt in the growth and prosperity of Pi Kappa Alpha.

# Lambda Chi Alpha

PHI ZETA of Lambda Chi Alpha was founded at Rutgers University early in 1913 by four undergraduates who, when they had pledged a strong and loyal contingent, applied to the national fraternity, Lambda Chi Alpha, and were accepted.

The national society was established at Boston University in 1909, Phi Zeta being the ninth chapter to be added to the rolls.

At first the chapter held its meetings in a suite in Winants Hall. In 1914 a house on Mine Street was rented, and in 1915 the chapter moved into a house owned by the University at 502 George Street.

Phi Zeta purchased its first house in 1920 at 164 College Avenue, its present home. The membership continued to grow and in 1928 a three-story addition was added to the house, and the entire interior was remodeled.

In 1934 seven hundred gallons of gasoline were dumped into the fuel oil tank of the fraternity through a mistake in consignment, and shortly after midnight fumes began to seep through the sleeping house. Fortunately Phi Zeta has a dormitory system and all the men were safely three stories above the fumes, so a catastrophe was averted. Two men fought their way down through the awful murk and shut off the feed line before an explosion could take place.

THE Rutgers chapter of Phi Epsilon Pi began as a local fraternity under the name of Theta Phi. The organization was started in Winants Hall in 1914. Soon meetings were held in Ford Hall.

The group was soon reorganized as Lambda Chapter of Phi Epsilon Pi and received its charter in 1915. The first house was located at 44 College Avenue. As the fraternity grew in strength, the chapter was moved to what is now the Dutch Reformed Church House on the corner of College Avenue and Mine Street. Eight years ago the present edifice was constructed and has been the home of Phi Epsilon Pi ever since.

From the original nucleus of four men we have grown into a chapter that averages thirty active members each year. The fraternity has one or two outstanding men on the campus every year. Among the active men who have graduated as Lambda Fraters are Judge Rosen of Philadelphia, "Tex" Rosen, David Moscowitz, and John Grossman, all of whom excel in their various fields of endeavor. The chapter also claims title to an outstanding associate member, Abe Jelin, former Commissioner of Highways in New Jersey.

In view of this history and in consideration of these achievements, we, the present members of the Lambda chapter of Phi Epsilon Pi, feel that we have a tradition to uphold.

I N the troubled year of 1400 a group of students from the University of Bologna banded together for mutual protection against the wicked governor of the city, Balthasar Cossa. This society spread rapidly to other European universities, and its traditions and ritual descended through many of the noble families of the continent. The Kappa Sigma Fraternity of today is the direct descendant of this early brotherhood.

The present Kappa Sigma Fraternity was founded December 10, 1869, at the University of Virginia by five friends who, wishing to belong to the same fraternity, decided to found a new one. Two years later one of the brothers of this new fraternity, while traveling in Europe, came in contact with some of the few remaining members of this time-honored society from Bologna. These men wishing to perpetuate their order intrusted their ritual and traditions to this American with the understanding that they would be embodied in this newly founded fraternity. Thus it is that Kappa Sigma traces its history back some 337 years, and proudly claims relationship with those oppressed students of Bologna.

The growth of the fraternity was rapid and consistent so that at present there are 108 active chapters which are located in about half of the universities in the United States and Canada. This makes the fraternity second in size as far as numbers of chapters is concerned in America and first on the Rutgers campus.

CLASS OF 1941: Robert Montgomery Bunnell, George Peter Hebel, Vincent Richard Kramer, Herbert Henry Newton, Robert Irving Owen, Herbert Thomas Potter, Jr.

RHO SIGMA ZETA, the grandfather of Nu Beta Chapter of Phi Gamma Delta, had its first meeting in Winants Hall, Room 43, on October 11, 1909, under the leadership of two young men, Martin and Glanders, the latter serving as president and secretary.

The following year in December, the father of Nu Beta, the Scarlet Club, was formed. From its inception this club seems to have had but one objective, that of becoming a chapter of Phi Gamma Delta. The first home of the club was in the house on the corner of George Street and Seminary Place now occupied by the erstwhile president of Rutgers, Dr. William Demarest. During the years from 1910 to 1917 the original aim was kept in mind and every room in the house was decorated with signs of "Phi Gamma Delta or nothing." In keeping with ambitious idea, the Scarlet Club sought and soon gained a place in campus activities. Nothing was left to be accomplished except for the granting of a Charter by the National Convention of Phi Gamma Delta in 1917 upon the recommendation of many other fraternities on the campus at the same time. The installation of the chapter was delayed until April 6, 1918. In the next few years Nu Beta moved to its present address at 586 George Street on the corner of Bishop Place. Growth of the active membership necessitated an addition to the present house in 1930. The chapter has continued its growth and improvement, ever striving to keep and uphold the high ideals of Phi Gamma Delta.

# The Raritan Club

Founded at Rutgers in 1922

FRATRES IN FACULTATE: Joseph R. Kenny.

CLASS OF 1938: Dick Kamper, Francis X. Kenny, Fred Carl Schmidt, Hilyard Stokes Simpkins.

CLASS OF 1939: Aubry Bitzer, Bernard G. Long, Edward L. McGuire, John Miller, Harry Muller, Arthur H. Patch, William Phair, Robert Schwerin, Christian Strandboe.

CLASS OF 1940: Joseph Jingoli, Joseph Mohr, William O'Donnell, Gilbert G. Roessner, John R. Sailer, Warren Swenson, Walter D. Trott.

CLASS OF 1941: Edward Bautz, Jr., George N. Bechtold, Albert G. Heisler, Malcolm Harrison, Floyd Hewitt, Joseph Keating, Carmel E. Opdyke, William J. Ramel, Phillip Rose, Jr., John Solook, William H. Spencer, Jr., Ben H. Thompson, Clement W. Unangst, Allen Wellman, Tunis Wentink, Albert Wenzel.

THE RARITAN CLUB was organized as a result of a deep bond of friendship of a group living in the dormitories which grew during the course of three years' association. Sentiment among the members of the group crystallized one night when the group cooperated in driving away fraternity men intent upon paddling. In order that the ties of friendship might be drawn more closely together, the men rented the house that is now occupied by Dr. Demarest and, with money raised by one of their number, set up living quarters.

Gradually the spirit of friendship and loyalty attracted others, and in 1926 the Board of Trustees of the College chartered the organization as a fraternity. This same bond of friendship has always existed among the men and, as a result, the Raritan Club has a well-knit, cohesive group of alumni who take an active interest in the undergraduate fraternity.

The house has grown during the past seven years and is proud of the fact that it is one of the two local fraternities on the campus. From the house on George Street in 1927 the fraternity moved to Mine Street and in 1930 the present home of the fraternity was occupied. At present there are seventeen men most of whom are actively engaged in extra-curricular activities. The ideals of the class of '23 are still uppermost in the minds of the men. Through periods of prosperity, as well as of adversity, the original idea of deep friendship and friendly "camaradie" still exists and it is this thought that the men carry with them both in the carefree days of undergraduate life and the more serious days after graduation.

# Alpha Chi Rho

CLASS OF 1940: Carleton C. Dilatush, Ralph C. Landbach, John McCurdy, Joseph F. Pflingstel.

CLASS OF 1941: David Berdan, Charles B. Staiger, Ernest R. Webber, Harold E. Young.

TWELVE YEARS AGO a group of students living in close touch with each other in Hertzog Hall, and sensing a growing fellowship arising from their common interests, experiences and moral standards, decided to perpetuate these values by the formation of a new fraternity. In the meetings that followed they incorporated these values into the constitution of the Alpha Sigma Rho Fraternity.

During the autumn of 1894 the Rev. Paul Ziegler, a graduate of Trinity College, Hartford, Conn., noticing a deterioration in the spirit of true brotherhood had taken place in the Greek-letter societies in Trinity, proposed to his son, Carl, a member of the class of 1897, that he found a Greek-letter fraternity on a basis distinct from that of the existing societies. On June 4, 1895, the first formal meeting of organization was held and Alpha Chi Rho was launched as a national fraternity.

In the spring of 1934 Alpha Sigma Rho decided to go national. After two years of investigation, it was decided to petition Alpha Chi Rho, whose landmarks were nearly synonymous with those of the local. The petition was accepted and in February, 1937, the Beta Phi Chapter of the Fraternity of Alpha Chi Rho was instituted to Rutgers campus.

We recognize our place is not at the top of the fraternities but we are near enough the period of our institution to realize the vigor of our fraternity. With this renewed spirit and enthusiasm we hope to climb to the top of the living groups by doing our share of making Rutgers the ideal college.

# Sigma Alpha Mu

SIGMA DELTA CHAPTER

Established in 1928

CLASS OF 1938: Norman Elliot Cooper, Murry Harris, Samuel Lerman, Stanley David Rose, Arthur Leon Ruby, Arthur Robert Wecker, Kermit Weitz.

CLASS OF 1939: Arthur Lawrence Feldman, Marvin Aaron Kitay, Samuel Kassel Levy, Leonard Edward Meiselas, Robert Rodman Rimsky, Manuel Benedict Tarshish, Lloyd Georges Weinberger, Eli Leopold Weisman.

CLASS OF 1940: David Elks, Morton Harold Estrin, Marshall Perlin, Louis Joseph Vogel.

CLASS OF 1941: Haskell H. Bratter, Leo Cohn, Joel H. Estrin, George M. Foos, David Gross, Jerome D. Gross, Albert Hurwitt, Alfred V. Saloman.

SINCE its inception as the Sigma Delta Chapter of the national Sigma Alpha Mu fraternity nine years ago, Sigma Alpha Mu has grown much.

Before going national, the chapter was known as the Sigma Delta Club and was located at 39 Mine Street. As years went on the fraternity grew, until 1932, the chapter moved to its present residence at 78 Easton Avenue.

Sigma Delta last year earned the Founders' Cup given to the best all-around fraternity of Sigma Alpha Mu's thirty-three chapters. The members of the house feel pleased with this achievement.

Although athletics have been very prominent in the fraternity's life, scholarship has not been neglected. It is significant that Sigma Alpha Mu ranks very high in scholarship.

Sigma Alpha Mu has entered enthusiastically in intramural athletics. Members enjoy participating in intramural sports.

An active group of alumni back the chapter. They add to our prestige and offer much help. Sigma Alpha Mu looks forward to maintaining its well balanced chapter and supporting Rutgers' activities as long as it shall exist.

# Tau Kappa Epsilon

39 CHAPTERS

Founded at Illinois Wesleyan, 1899

ALPHA ETA CHAPTER

Established in 1930

FRATRES IN FACULTATE: Irving S. Kull, Philip L. Ralph, Robert T. Thompson.

CLASS OF 1941: Abner Morris Everett, Raymond Mitch.

TEN YEARS AGO a small nucleus of men gathered together through the efforts of John Mulhern '27, Charles Kieswetter '29 and Salvatore Salerno '29 and united in the bond of friendship of a new fraternity known as Phi Sigma Tau. A strong bond of friendship and mutual respect existing among the thirteen charter members aided in settling the important questions of organization.

A petition for recognition was presented to the Board of Trustees on January 14, 1927, and due largely to the hearty recommendation of Dean Frazer Metzger, Phi Sigma Tau was accorded the somewhat unusual distinction of having a charter granted in response to its first petition.

On December 27, 1929, permission to petition a national fraternity was granted by the proper authorities of the University. June 4, 5, and 6 of 1930 saw the installation of Phi Sigma Tau into the national ranks of Tau Kappa Epsilon as Alpha Eta Chapter.

CLASS OF 1940: Ellsworth Boyd Beyer, Walter Nelson Connors, James Bartles Cortright, Wilbur Smyth Darby, Andrew Albert Kroessler, Frank Nicholous Kuszen, William Kenneth Moss, Erwin Paul Perkins, Fred Jerome Potter, Frederick Alvin Prosser, John Charles Schiller, Jr., Zolton Takacs, George Lawrence Van Dillen, Geza Edward Wolf.

CLASS OF 1941: Arnold Robert De Angelis, Ransom Gladwin, Clifford Radus.

THE chapter of Alpha Kappa Pi originated as Phi Lambda Sigma, a local fraternity at Rutgers. It was organized in 1926 by a group of men from the class of 1927 who sought to perpetuate the common bonds of friendship and scholastic interests which had held them together during their three years of college life. This group enlisted the aid of nine members of the class of '26 and three members of the class of '28. The Trustees of the University, influenced by the excellent record of the petitioners, granted them a charter in May of that year.

That summer a house on the southeast corner of Easton Avenue and Hamilton Street was leased for one year. Next in the minds of the members was the thought of purchasing a house for the fraternity, and the present location at 26 Union Street was obtained.

In the spring of 1929 the custom of having an annual alumni banquet was instituted. A total of thirty men attended this first banquet and did much in discussing the welfare and future of the chapter.

In the summer of the same year, the Collegiate Brotherhood, a local fraternity which had existed on this campus from 1895 to 1906, voted to affiliate with and be absorbed into Phi Lambda Sigma for membership in the Alpha Kappa Pi national fraternity was accepted, the Rho chapter was formally inducted into the rites and rituals of that organization.

# Theta Chi

50 CHAPTERS

Founded at Norwich University

BETA DELTA CHAPTER

Established in 1932

FRATRES IN FACULTATE: Ralph N. Campbell, Charles R. Foster, Ernest McMahon, Jack Wallace.

CLASS OF 1938: Jack F. Anderson, Jay W. Fidler, Edward S. Miller, Charles R. Moog, Jack C. Radcliffe, Donald H. Saxton, Scott L. Shive, Steven J. Stanowicz, Willard R. Van Nostrand, Jr.

CLASS OF 1941: Richard Bederski, Fredrick Brown, Edmund L. Eliason, Frank B. Eshleman, William Kontes, Frank B. McHenry, Stanley Peters, John Pulliam, Robert S. Tatton, Edward S. Viana, Frank Walty, James Winchester.

THETA CHI, a national fraternity, was founded at Norwich University in 1856. The fraternity is composed of 50 chapters, of which Beta Delta was the fiftieth to receive a charter from the national fraternity. The Rutgers chapter, first organized as Theta Zeta Fraternity in 1917, was received into the national organization in May of 1932.

The local chapter has always advocated as its cardinal purpose the fostering of scholarship and prides itself on the fact that fifteen of its members have been elected to Phi Beta Kappa in the last thirteen years.

In addition to its scholastic achievements, Beta Delta has carried out the objectives of the national organization in promoting the welfare of Rutgers and, consequently, its members have been active and distinguished in all forms of campus activities.

A number of the members of Beta Delta Chapter have achieved distinction on the Rutgers campus among whom are A. Stuart Demarest '28, editor of publications, extension division; Ernest E. McMahon '30, alumni secretary; Ralph N. Campbell '31, assistant to Mr. McMahon; Harry Von Bulow '32, instructor in psychology; and Jack N. Wallace, assistant director of public relations.

# Tau Delta Phi

21 CHAPTERS

Founded at the College of the City of New York, 1910

TAU GAMMA CHAPTER

Established in 1934

CLASS OF 1938: Jerome J. Halprin, David Hauben, Daniel Loewenthal, Morton Rosenberg, Max Rubin, Sidney Schaefer.

CLASS OF 1939: Norman Daitzman, Alvin Hassenberg, George Kintslinger, Samuel Kronman, Charles Mandel, Frank Shirk.

CLASS OF 1940: Henry Abrahams, Solomon A. Bachrach, Irving L. Bander, Stanford E. Eisenberg, Stanley Fernhoff, David Goldberg, Harold Kaplan, Emanuel Ludmer, Moe Rose, Marvin Rosenkrantz, Philip Rubin, Marvin Soperstein.

CLASS OF 1941: Philip Agisin, Ralph Babst, Allan Block, Jerome Bloom, Seymour Fenichel, Isadore Rosenbaum, Morris Scherb, Morton A. Sobin, Jerome Treister.

**T**AU GAMMA of Tau Delta Phi was introduced to the Rutgers Campus in 1921, when a group of students with the same interests at heart, founded the Evergreen Club. This body of men, although relatively small, made up in quality and activity what they lacked in size.

As this group grew in importance and strength it felt that expansion was in order. Accordingly, in 1928, it became the Eta Chapter of Omicron Alpha Tau. It, as did the Evergreen Club, produced men who have since proven their worth in the economic, social, political, scientific, and educational fields of endeavor.

Then, in June of 1934, the entire Omicron Alpha Tau Fraternity merged with the Tau Delta Phi Fraternity and the best features of both were combined. The Rutgers chapter then became known as Tau Gamma of Tau Delta Phi.

Tau Delta Phi contributed new ideals and a new spirit. It is known in fraternity circles for its ideal administrative program, its selectiveness, and progressive, ever-expanding spirit; for even now, the need for expansion is felt and newer and larger quarters are in demand.

The Brotherhood formed here by the "Tau Delts" has become an integral part of Rutgers lore and tradition and as long as Rutgers exists shall this spirit of brotherhood continue to bind men together, with the strongest bonds that fraternities can produce.

# Ivy Lodge

Founded at Rutgers in 1936

FRATRES IN FACULTATE: William Hinkley Mitchell, William M. Nulton, Robert Merrill Walter.

CLASS OF 1938: Joseph Dzuryak, H. William Eckert, David Grayson Neander, Richard Nolte Renshaw, Arthur Bernard Rolph.

CLASS OF 1939: Alfred Kiefer, Kenneth Carl Otto Schroeder.

CLASS OF 1940: C. Sumner Cressy, Ralph James Russo, Harry Watson.

CLASS OF 1941: G. James Coburn, Leon Dwulet, Albert Raymond Hasbrouck, Robert Donald Laslocky, Hoidel Edgar Tambo.

I VY LODGE was founded in 1936 as a result of a merger of the Ivy Club, founded on this campus in 1913, and Tritelion Lodge, founded in 1923.

The members of the new fraternity comprised a well rounded group and the Lodge has already established its place on the campus.

The Alumni of the two former organizations responded wholeheartedly to the support of the Lodge and have contributed a great deal toward its success. Among the most prominent of that body is the well known orchestra leader, Ozzie Nelson, class of '27. Bryce MacDonald, who taught chemistry at Rutgers upon graduating; is now an executive of the Rutgers Alumni Association and President of the Interfraternity Council. John Kirkwood, a well known former lacrosse player when an undergraduate, is now President of the Board of Trustees of Ivy Lodge, and William Bohlke is an executive in the Radio Corporation of America.

The ideas of the founders of the two organizations were inculcated in the new fraternity, to foster scholarship, to encourage participation in extra-curricular activities, and to aid in the moral training of the members.

The Queen's Players is a society organized for the purpose of fostering interest in dramatics on the campus. It affords those students who have an interest in this form of art to give vent to their emotions. Election to the organization comes only after the candidate has given evidence of certain qualifications, either in acting or in stage-craft.

 Arthur B. Winters, '39  
 H. Boyd Woodruff, '39

The Fraternity of Alpha Zeta, which has just celebrated the fortieth anniversary of its founding as a national honorary agricultural society, is represented on the Rutgers campus by Cook Chapter, which was chartered in 1922. The organization has as its objects the promotion of agriculture, and the development of high standards of scholarship, character, leadership, and fellowship among agricultural students. Membership is by election, and a high scholastic standing is necessary.

DAVID J. CAMPBELL, '38 .....Treasurer

Kenneth McAllister, '39  
Alfred R. Manville, '38  
Byron J. Prugh, '38  
John C. Radcliffe, '38

It is the purpose of Tau Beta Pi to mark in a fitting manner those who have attained distinguished scholarship in engineering. This recognition may be conferred upon undergraduates or alumni. Although scholarship is the primary requisite for membership, the selections are also based upon integrity, breadth of interest, adaptability, and unselfish activity.

## Spiked Shoe

The national collegiate society of Spiked Shoe at Rutgers is an honor organization whose purpose it is to promote track and recognize track ability. Membership is by election, and all track men are eligible. Spiked Shoe sponsors three intramural track meets each year: The Intramural Cross-Country Meet, The Polar Bear Meet, and the Intramural Track Meet.

## Pi Gamma

Won 5 and lost 4—that's the story in the record books. But figures fade before returning memories of a young and green Rutgers football team, battling grimly to raise the colors of the Scarlet from last year's slough of defeat, heroically battering its way through a tough season and into the hearts of all Rutgers men.

Questionable eyes were turned on the sun-tanned Big Red gridders as they trotted gamely out to face their first foe of the season, Susquehanna University. As the shadows lengthened on Neilsen Field, those same eyes had lost their doubting look and now gazed fondly at the cleated, helmeted warriors, victorious and promising.

The games rolled on and still Rutgers' name was absent from the loss column, as, Saturday after Saturday, Coach J. Wilder Tasker's men, led by a group of talented sophomores, steamrolled their way to triumph. And in the driver's seat of the Scarlet marauding machine was sophomore Bill Tranavitch, a stiff-arming, snake-hipped fullback. He was the big gun in Rutgers barrage on victory and just as great in defeat.

Four straight victories adorned the banner of Old Queens before defeat marred it. Susquehanna, Hampden-Sydney, Delaware and Springfield all were submerged by the Big Red tide as it roared into Princeton to lose its first game. But in the words of Rud Rennie of the New York "Herald-Tribune," "If there is glory in defeat, there was glory in this one." A fine tribute to a gallant team.

The fighting heart of the Queensmen lifted them above defeat and they came right back with a stirring victory over Lehigh in the next game. Then a great, undefeated Lafayette eleven came from behind to overtake the Scarlet and put the second blot on its slate. Next, a determined, hard-working Ohio University team sailed into New Brunswick in a driving rain and left with a muddy win to its collection.

Undaunted and still fighting, the thrice-beaten Taskermen journeyed to Providence on Thanksgiving Day to battle Brown University, and after 60 minutes the Scarlet left the field, defeated, but not discouraged. One point spelled their doom, but as in victory,

their heads were up, a valiant, fighting team to the end.

A 9 to 0 win over Susquehanna started Rutgers off on the right foot. It was not a smashing victory but instead, the first cautious steps of a team untried and not yet sure of itself. Five minutes after the kickoff the results were plain to be seen. It was Rutgers all the way. Up and down the field went the forces of Susquehanna before the onslaught of red-shirted backs and hard-blocking Scarlet linemen.

Then, in the middle of the second quarter, Rutgers made its first mark in the 1937 score books. A fumbled punt by the invaders' safety man was recovered by Rutgers on the five-yard stripe. Two line bucks netted four yards and then the visitors piled the Scarlet for a loss and took the ball on downs. Miller dropped back in his own end zone to kick but Paul Harvey, Rutgers left end, knifed

J. Wilder Tasker, Coach

through to smother the kick and spill Miller behind the goal line for a safety.

Still in a scoring mood, the Queensmen received the free punt on their own forty-five-yard marker and moved it to the Susquehanna 24 on straight power plays. Stan Dreswick then took the pass from center, swept off his own left end, reversed his field through the bewildered Crusaders' secondary, and crossed the last stripe standing up. Tranavitch booted the extra point and sealed the game for the Taskermen.

Seven days later Hampden-Sydney sent its grid forces up from the South to the Rutgers campus, only to be met by a 20 to 0 loss. The Big Red team played the perfect host for three quarters as it stumbled around, kicking scoring chances away and playing listlessly. A spark was missing, and it didn't turn up until the last quarter when Tranavitch staged a one-man show.

After putting on determined marches around midfield and crumpling near the goal line, Rutgers took the ball five yards their side of the 50-yard stripe and were unstoppable in a sustained touchdown drive. Art Gottlieb, Jack Casey and Tranavitch did the ball-toting which ended with "The Train" plunging over from two yards out. The second score followed closely on the heels of the first.

Don Saxton kicked off and Will Dorn recovered for Rutgers in midfield after a Hampden-Sydney fumble. The Scarlet line split the Southerners' forward wall on the next play and Chuck Bobrowski, jack-rabbit senior halfback, slid off his right tackle, cut back leaving the secondary high and dry and raced to the 10-yard line before being bumped out of bounds. Again Tranavitch reached pay-dirt through the same hole off-tackle on a reverse. He added his second place-kick a moment later.

Hal Schank and Gottlieb, a pair of sophomore fire-brands, collaborated on the next six-pointer. The wily and elusive Schank grabbed a punt out of the air and twisted his 135-pounds through half the Hampden-Sydney team to reach the visitors' 24-yard line. Gottlieb picked up where his mate left off and on two plays had scored.

Delaware was the third intruder to do battle with the men from the "Banks" but they too fell short and absorbed a 27 to 0 defeat. Rutgers wasted no time in this fray, scoring early in the first period when Art Perry, blond-bombing halfback, culminated a 75-yard drive in which he ripped off a long forty-five-yard dash, with a plunge from the six-yard stripe that carried over the goal.

Gottlieb stole the show a few moments later when he made a solo flight from the

Scarlet's own 24-yard line and aided by great blocking scored the second touchdown, untouched. Rutgers called on its reliable fake-reverse for the next tally and after Gottlieb and the point-minded Tranavitch had pierced deep into Delaware territory, the latter plowed through center to ring up the third score.

The high scoring fullback was still not through. Perry carried the ball from Rutgers' 35 to midfield on a reverse and Tranavitch cradled the pigskin in his arm two plays later and galloped forty-five yards to make the final count 27 to 0.

Satisfied that they were unbeatable on home soil, the Scarlet entrained for Springfield where 3,000 fans watched "The Train" trample the Maroon 26 to 0 for the fourth Rutgers shutout. By this time the fullback from the "Banks" was leading the nation's scorers and this spurred him on to register three touchdowns and two extra points. He ran 3 yards for his first score, 26 for number two and 32 for his last. Bobrowski's center-plunge added the final six points.

While this was going on in the backfield, Len Cooke, Walt Bruyere and Hilly Simpkins shared the glory in the line. Cooke, sophomore wrestling star, and Bruyere, a junior, held down the left side of the forward wall from the tackle and guard posts, respec-

tively. Simpkins, one of the three senior linemen on the first eleven, added more glory to a great three-year career at end as he spilled everything that came his way.

By now the stage was set for the Princeton game and a truly great drama was enacted there the following Saturday. The Scarlet carried the battle for the first period as Tranavitch and Perry broke loose on the first two plays for thirty-five yards each. But the Tigers braced on their own 28 and after an exchange of punts took the ball on their own forty-three. Hinchman, Wells and Taylor passed and ran to the Scarlet 17 in seven plays, and then Hinchman swept around Rutgers' right end to the one-yard mark where Taylor scored on the next play.

The rest of the battle was devoid of scores but there were plenty of threats. Princeton pierced the Rutgers' defense three times to come within the three-yard line, but they could get no farther as the Scarlet smothered them. A tricky lateral from Schank to Perry sent the Rutgers stands into an uproar as the latter broke into the clear, but Wells made a flying tackle and brought the fast-traveling Perry down by the heels. So the Queensmen received their first taste of defeat in this stirring 6 to 0 fray.

Some 10,000 Homecoming Day spectators jammed Neilsen Field when the Brown and

White of Lehigh trotted onto the gridiron to meet the once-beaten Scarlet. Before they had hardly settled in their seats Tranavitch started on his spectacular performance which saw him score four touchdowns and a like number of extra points. His total for the season soared to 78 points, placing him well up with the leaders for tops in the Eastern scoring race.

Along with this great game played by the hard-driving fullback was a sterling performance by the impregnable Rutgers line. Lehigh was powerless to penetrate the stubborn defense of the inspired forward wall led by Charley Craig and Cooke, twin two-hundred pound sophomore tackles.

Tranavitch plunged over from the one-yard line for the first score after Gottlieb and Perry had carried from the Engineers' 34. He missed his only placement of the day shortly after. Midway in the second period after Bruyere had recovered a fumble on Rutgers' forty-five, Herm Grief, Schank and Ken Ashby, sophomore fullback, placed the ball on the Lehigh 15-yard line. Tranavitch faked a pass to Perry and swept his own left end for his second score. Perry broke the monotony in the third quarter by circling his right end from the 18-yard line and scoring standing up. The game became a rout in the last period when the "Big Train" ripped off 7- and 67-yard jaunts for the last pair of six-pointers.

The fame of the Scarlet preceded it and 18,000 people packed Fisher Field in Easton to see Lafayette's unbeaten, untied and unscored upon eleven stem the rising Scarlet tide. The game was hardly begun when the rooters for the Leopards were plunged into despair as Tranavitch again stole the spotlight by intercepting a Marquis pass and galloping 87 yards down the sidelines for the first point scored on the Leopards all season. His placement attempt went wide.

But a moment later, the stands were in an uproar again as Tommy Kearns, spearhead of the Lafayette attack, cut inside his own right tackle and, behind perfect interference, sprinted 63 yards to tie the score at 6-all. Lentz's kick failed to cross the bar. From here on the Leopards flooded the air with passes but they failed to click. But suddenly Kearns found the combination and began tossing the ball to Hal Simmons, Leopard end and ace pass-catcher. With the ball on Rutgers' 33-yard line, Kearns heaved a 24-yarder to Simmons who was dropped on the Scarlet 9-yard stripe. A rush failed to gain and again Kearns drifted back, spotted his target and arched the ball into the waiting arms of the same Simmons who lugged it across the goal line for the winning touchdown. Another pass added the extra point and the game was over as far as scoring went.

Rutgers returned to New Brunswick and to its farewell game on Neilsen Field the following Saturday against the Bobcats of Ohio University. The field was a quagmire and rain poured down throughout the entire game. From the outset of the fray it was evident that the hard-hitting Ohio team had been underrated very much for they carried the fight to the Scarlet and had them on the defensive throughout the game.

Following a poor kick by Perry, the wet and slimy ball slipping off the side of his foot, Ohio began an assault on the Queensmen's goal-line. Montgomery passed to Boehk for 31 yards and in two plays the Bobcats had scored. This bewildered the Rutgers eleven and so confused them that Ohio was able to add the extra point when the kick was blocked. Montgomery scooped up the free ball and skirted the end, untouched for the extra point. Coach Don Peden's men struck again at the start of the second half. Montgomery, who found the

slippery footing particularly to his liking, returned a Rutgers punt 35 yards to the Scarlet 45-yard line. On the next play he tore off tackle for 30 yards more and reached the Rutgers 15. The Scarlet braced here and took the ball, only to lose it a moment later on a fumble. Montgomery gripped the slippery ball on the next play and heaved it to Wertman, waiting in the end zone, for the second and last score of the game.

So it was a thrice beaten Rutgers grid outfit that traveled to Providence for the Thanksgiving Day classic with the Brown Bruins. And while the echo of the timer's gun was still ringing in the ears of the spectators, Frank Foster, senior quarterback, playing his last game for his alma mater, tucked the ball under his arm and returned the opening kickoff 95 yards and booted the extra point for the seven points that won the game.

But even in defeat Rutgers played a great game. It came right back inside of five minutes and sent Bill Tranavitch, now ranked second in the Eastern scoring race, over the goal from the 18-yard line. The placement was blocked and the score stood at 7 to 6 in favor of the Bruins. And despite yeoman work done by a valiant Scarlet wall led by Paul Harvey, whom the Brown team later said was the greatest end they had met all season, Rutgers could not score. Both teams threatened repeatedly but each tightened in the pinch and warded off any further score.

So Rutgers returned to the "Banks," beaten once more, down but not out. Five victories were earned by the grim little band of Scarlet fighters and four defeats befell them. It's a good record just on the basis of won and lost, but now that you know the story behind the figures, it's a record and a team for all Rutgers men to be proud of.

Artist's Drawing of the New Stadium

## 150-lb. Football

The sixth season of 150-pound football at Rutgers found the Scarlet with a team as strong as any that ever represented it. Competition in the Eastern Intercollegiate League was also stronger than it had ever been, yet Coach Harry J. Rockefeller's club won three contests and lost only two.

The defeats were administered by Princeton and Yale, the teams which went on to finish in a tie for the league title. Each gained half a leg on the George Foster Safford trophy which will become the permanent possession of the team winning it three times. Rutgers has two legs on the trophy, Yale one and one-half and Princeton one-half.

Nine lettermen were on hand when Rocky started practice last fall. In the backfield he had All-American Joe Barile, Bud Shaw, Leo Bernstein and Dick Cole. Linemen returning were Vaughn Cary, Dick Steadman, Will Van Nostrand, George Hall, and Fred Siscoe.

Although four veteran backfieldmen were available three new faces soon broke into the line-up regularly. Henry "Shorty" Tilton was eligible again after a year on the sidelines and alternated at a running back post. Will Darby and Carleton Dilatush came up from the freshman team of the year before to take starting berths away from veterans.

Even with such a strong backfield squad, Rocky lost two lettermen who had been counted on heavily. Tom Finnie, who had broken his leg in the 1936 campaign, decided not to try out for the squad, and Jim Doyle transferred his activities to the newly formed junior varsity aggregation.

Cary at center, Van Nostrand and Siscoe at guard, and Steadman and Hall at tackles gave Rocky a veteran nucleus for the line. Cary, Steadman, and Hall held their posts all

HARRY J. ROCKAFELLER

JOSEPH V. BARILE, '38  
Captain

JEROME J. HALPRIN, '38  
Manager

season, but Siscoe and Van Nostrand alternated with sophomore Charlie Crandall and junior John Miller. Joe Ragone and Johnny Rannells completed the first string line at the end spots.

Only a few dozen fans remained away from the big varsity-Princeton game to see the lightweights open their campaign against Villanova on Neilson Field. The Scarlet forces eased to victory on the muddy gridiron 25 to 0 as Rocky used substitutes liberally. Play was deep in Villanova territory all through the fray.

Fans were missing again when the Scarlet lightweights faced Lafayette's midgets on Neilson Field for it was the same afternoon as the varsity clash with the undefeated Leopards at Easton. Rocky's charges held off the Marquis easily and came out with a 13 to 6 triumph.

The lightweights went to New Haven the following week in an attempt to avenge the 3 to 0 defeat at Hinchcliffe Stadium, Paterson, the year before—the first defeat of a Scarlet lightweight team. Yale still boasted a strong unit, however, and the Scarlet was beaten 13 to 0.

Hinchcliffe Stadium contained 4,000 fans on freezing Armistice Day for the Penn game. In the first two minutes Joe Barile broke loose to trot 26 yards for a touchdown and Bud Shaw converted the point on a dropkick. Bill Rakow, Penn's all-America fullback, sparked the Quaker attack and at the start of the second period tossed a pass to Bill Jackson for a 72-yard touchdown. The teams fought back and forth the remainder of the contest with a safety against Penn the only score. The final count was 9 to 6.

Princeton's undefeated team, on the wave of a series of 40 and 50 point triumphs, was heavy favorite to beat the Scarlet 150's for the first time in the closing encounter for Rutgers. However, a stubborn defense held back the fleet and experienced Tiger backs till late in the fray when Buster Bedford, Princeton ace, broke loose for the only touchdown of the game.

The 1937 season also marked the end of Rocky's regime as head coach of the midgets. Harvey Harman appointed the popular mentor end coach and next season Rocky will be doing his stint with the big boys. During his six seasons as coach, Rutgers lightweights won 27 games, lost three and tied three.

Next season Rocky will be working beside Eddie Masavage, Penn's 150-pound coach last season. Masavage will handle the varsity backs. As we go to press no announcement has been made relative to the appointment of a successor to Rocky.

An ardent Scarlet roter might have said six victories; a confirmed optimist might have said eight; but only a seer could have foretold the eleven victories compiled by the most surprising basketball team in the past decade of Rutgers history.

The 23rd annual court machine of Frank Hill's began this, one of his most notable seasons, under a terrific mental handicap brought on by one of a physical nature. In 1936 five agile and speedy giants passed and shot their way into Rutgers hall of basketball fame by going through a 15-game schedule with but two defeats. They were promptly labeled the Rutgers "Wonder Team." While they were deserving of the praise and acclaim bestowed upon them they were not all-deserving of the appellation of "Wonder Team." Their deeds, while great and many, were merely results of talented and skilled performers playing a game for which they were perfectly equipped by Nature. Height, age, and ability were all theirs.

But practices rolled along, the average players plodded on and nobody paid them the least attention. The first game was a Rutgers triumph, so was the second and the third. The campus awakened from its somnolence and began to regard the quintet of scarlet-clad courtsters critically and dubiously. The townspeople began to stir and every now and then some one would mention Rutgers basketball team. When the fourth game came and left in its wake a Rutgers 34 to 33 triumph over Princeton everybody sat up and took a second look at this team. They were evidently going places but just how they did it was a mystery. The fifth, sixth, seventh and eighth games were all safely passed and the Scarlet was riding the crest of an eight-game winning streak. The East was agog. They were the only major undefeated college team along the Atlantic seaboard. People began to talk about clever little Joe Barile, level-headed Carl Miller, smooth-playing Boris Schwartz, set-shot artist Walt Campbell, and high scoring, giant George Buttle.

These five average men, only one over six foot, had finally dispelled the curtain of gloom which had been cast over them by the memories of last year's greats. They were

getting places at last. They lost the very next game to N. Y. U. but without losing one bit of their hard-earned prestige. Even the giants had lost to the New Yorkers a year ago. Lehigh was the next victim to fall before the Scarlet Scourges, making nine triumphs, far above the highest predictions accorded them in pre-season rating. They were being hailed now by students, townspeople and alumni alike.

In a return engagement with the Tiger, the Hill-men lost their second game by eight points and then braced and went on to win still one more from Susquehanna before they suffered their third setback from a great Villanova team. The Scarlet lost this one but gave the Wildcats the biggest scare of the season by leading them all the way to the three-quarter mark before finally succumbing by ten points. After this defeat they returned to the wars and showed their mettle by notching their eleventh victory on their slate by again beating Lehigh. Then the state of Pennsylvania sent one of its most potent quintets down to the quiet little Jersey town and Penn State closed the Scarlet's season by severely trouncing its stalwart sons 53 to 18.

Eleven victories—four defeats. A great record and a greater team. Barile, Buttle, Campbell, Miller and Schwartz; their names will live long after they have gone. And still another name, that of Norm Cooper, will live along with the others. Cooper wasn't a regular but he was the sixth man on the squad. And it was he who typified the spirit that carried this team to its great heights. Twice he entered games in the closing minutes and twice he won those games by spectacular last second shots. He broke his wrist in his third attempt. But at least he can look back on this 1937 team, of which he was an important part, and with the others, be content that it was finally recognized as a truly great team, worthy of the name of Rutgers "Wonder Team."

To most people March 26 merely meant the end of another swimming season at Rutgers, another highly successful one, too. But to six men it was the end of a career.

These six had started out together four years ago and through the ensuing time they always managed to find one another somewhere around the pool. To phrase it more exactly they were the backbone of Rutgers tank squad for the past three seasons.

The Scarlet stokers that splashed their way to seven triumphs out of nine dual meets this season and placed second to Pittsburgh in the Eastern Collegiates formed the 23rd team that Jim Reilly has coached here. And it was just another one of Jim's usually good ones.

From the outset it was apparent that the nearly all-veteran tank squad was in for a good year when it submerged Columbia for the first of its seven wins. This was sort of a warm-up for the six coming down the homestretch. Captain Jimmy Reilly and his sprinting side-kick Stan Rose, two of the best dash and middle-distance men in the last decade of Rutgers swimming lore, both came through easily. The tanned Al Timko and the big blonde George Christiansen, the Scarlet's breast-stroking pair since 1935, also coasted home to victory. And Ken MacWhinney, lead-off man on the relay team and Ken Deith, Rutgers top-flight springboard artist, joined with the others in triumph.

Throughout the rest of the season things went pretty much the same, with all six usually coming in to win, place or show. N. Y. U. was smothered even more efficiently than the Light Blue as Reilly's men began to warm up. And then came the annual clash with New Haven's emissaries, Yale's powerful Elis. Johnny Macionis and his cohorts lived up to expectations and again defeated the Scarlet 47 to 27, but it was a close meet up to the last event, the 400-yard relay. Only one of the six won a first place that night, the dark-skinned brown-haired Timko, outswimming his Boola-Blue opponent.

Lehigh fell next before the powerhouse stokers from the "Banks" who routed the Engineers 56 to 18. The reliable Reilly and Rose and the surprisingly good junior, Bill Lakamp, who pressed Rose for honors all season and placed ahead of him on more than one occasion, sewed up the sprint honors and collaborated with MacWhinney to win the relay. Timko and Chris handled the breaststroke and Deith kept the dive under his thumb. So it went all year.

Only in the backstroke was there no representative of the big six. This department was capably handled by junior Johnny Winter and sophomore Frank Paret. In the next meet, the Scarlet was called upon to face the roaring Tiger from Princeton, no mean job the way the Orange and Black was showing its heels to all opposition. But the Reilly-men rose to the occasion and nearly upset the apple cart by extending its ferocious neighbors to the limit and losing by a 34 to 41 score. This was the last defeat to mar Rutgers dual meet record. Springfield, Brown, Franklin and Marshall, and Pennsylvania all wallowed in the Scarlet's backwash.

Pittsburgh was the next port of call for the tankmen and they invaded the home of the Panther to vie for honors in the Eastern Collegiates. They lost out in their battle to the home team and Pittsburgh splashed in the winner, beating Rutgers 42 to 24. The meet was just a succession of bad breaks for the Scarlet, half of the team being badly off form and several nonentities from elsewhere suddenly springing into prominence by exploding a batch of upsets during the proceedings.

So the crowning event of collegiate swimming in the country, the Nationals, finally rolled around to end the Scarlet's season and to serve as a fitting climax for the six seniors who bolstered the team for three long years. Not all of them swam but those that did fared well. Reilly achieved national recognition by placing fifth in the finals of the 100-yard freestyle and the relay team placed fourth in the final event.

# Varsity Baseball

Hitting power and defensive strength lost to Rutgers' baseball team by graduation last year, proved too much of a handicap for Coach J. Wilder Tasker's batsmen to overcome and they dropped 11 contests in their 16-game schedule.

The Scarlet were shorn of key men in the infield and batting strength in the outfield, and, despite a fine pitching staff, went through a rather dismal season. Roy Lins, Carl Miller, Dick Steadman and Bus Lepine all hurled good ball for the Queensmen but the lack of a potent offense kept the Scarlet on the wrong end of the score in more than half of their games.

The batsmen from the Banks did get off to a good start, however, by defeating Montclair State Teachers in the season's inaugural, but from here on the road was rocky. A Southern trip in which Hampden-Sydney, Duke and Maryland were played was fruitless, Rutgers dropping all three contests. Back in their own territory they braced momentarily to snap their three-game losing streak by beating Lehigh 11 to 6. It was a slugfest for the Scarlet and after the lead had changed hands twice, they settled the issue with four singles and a home run in the seventh inning.

Pringle started the fireworks by slamming the first pitch of the inning over the right field wall for a homer. Singles by Lepine, Lins, Miller and Steadman produced three more tallies for the deciding runs. But the victory made the Scarlet bat-wielders careless and they nullified a beautiful pitching effort by Carl Miller with a flock of errors, to drop the N.Y.U. game 5 to 3. The Princeton Tiger followed this defeat with another, as they landed on Rutgers' pitching and laced out a 5 to 1 triumph.

But before a Prep-school week-end crowd of 3,000, Carl Miller staged a fine one-man show, pitching six innings against Middle-

bury and giving up but two hits while striking out five. Fourteen base hits by the Taskermen were enough for victory and they won their third game of the year, 11 to 3. Still in a winning mood, Rutgers faced Lehigh for the second game of the home-and-home series and shut the Engineers out 8 to 0.

The Scarlets were getting their batting eye sharpened now and when Tommy Eason, the Hampden-Sydney pitcher who beat Rutgers in the Southern trip, faced the men from the "Banks" a second time, they jumped on him readily and laced out a 14 to 0 triumph. But once again joy was short-lived for the Blue Devils of Duke, the nearest thing to a big-league team in the collegiate ranks, invaded the serenity of Neilsen Field and trounced Rutgers 16 to 3 for the worst Scarlet defeat of the season.

Rutgers went on a down-hill slide from here on as five more defeats found their way to the Scarlet. Lafayette scored two successive triumphs over the Tasker batters winning 9 to 1 in New Brunswick and scoring a 6 to 2 win in Easton. Princeton, already boasting one win over the oft-beaten Scarlet, made it two by handing out a 7 to 1 loss to its ancient rival. In this game, sophomore Dick Coe, left-handed hurler, relieved Miller in the fifth inning and pitched great ball for the remainder of the game, blanking the Nassau-men with two hits.

Manhattan was the next foe to be met by Rutgers and the Jaspers collected a flock of base hits off an assortment of Scarlet pitchers to win 10 to 3. This was the 10th defeat Rutgers had experienced in a bad season but it was still not over. Indiana University's nine were guests of the Scarlet in the wind-up Commencement Day game and the sluggers from the Hoosier State pinned the eleventh and last setback on the Taskermen by the score of 9 to 6.

A tall, powerfully-built, good-natured man peered intently into the murky haze floating over the old Raritan River for a moment and then Charles P. Logg settled back with a satisfied smile as his Rutgers crew swept across the finish line the winner in this, their first race, and his first season as coach.

Logg, who pulled an oar way out in Washington where crew is at its peak, brought with him to the "Banks," the long stroke which has proved so successful in the Far West. This was a new system for the Scarlet sweepswingers to master, but they jumped at it with a will and when the last stroke had been taken, Rutgers had scored a first and three seconds for their season's work.

The Raritan Regatta which pitted the Scarlet against the men from Manhattan brought Coach Logg's men their first victory and only first place of their four races. Bill Collinson stroked the Scarlet at a 35 for the first mile, opening up a gap of a length and a half, and then slowing the pace sufficiently to bring Manhattan closer by half the distance. The Queensmen held this three-quarter length lead until the last 500 yards when they stepped up the stroke and left the Jaspers in their wake, two lengths behind. Then with twenty-five yards to go, Tony Savarese, the wiry little coxswain gave the order to cease rowing, thinking that they had crossed

the finish line in the gathering dusk. A second look caused him to put the crew hurriedly back into action again and they churned home, winners by two lengths.

The Scarlet broke into "big time" company next as it journeyed to Cambridge to match strokes with Harvard and M.I.T. for the Rowe Memorial Cup. It was a very successful debut even though Harvard forced the Queensmen to rock and roll in its backwash. Three lengths separated the powerful Cantabs from the smooth-rowing Loggmen as they pulled across the finish line in second place, two boat lengths ahead of M.I.T.

The choppy Housatonic was the setting for the Scarlet's third race, the Rutgers Regatta, in which Yale's 3rd crew raced home ahead of the Lev Brett, Rutgers' shell, to give Coach Logg's men another second place. The Elis entered two boats in this affair but Rutgers sandwiched itself between them and left the Blues' 4th boat behind.

The grand finale was held on the placid waters of Lake Carnegie where Rutgers varsity pulled oars against Princeton's jayvees and Manhattan's first boating. This was a great race, with the Scarlet out in front with a half-mile still to go. But they unleashed their sprint too soon and the Tigers overhauled them at the finish, nipping them by a boat-deck.

# Varsity Lacrosse

With the first signs of spring in the air, Rutgers' lacrosse team began wielding old and well-oiled sticks every afternoon behind the gym and, before long, these sticks were putting Rutgers' name into the win column pretty regularly, only missing on three out of nine occasions.

Coach Fred Fitch, with a squad pretty well riddled by graduation which sheared the Scarlet of a handful of All-American stars, fashioned himself another smooth-playing machine which lost only to the great Maryland team, the powerful Army array, and to a high-g geared Princeton ten by a single point.

The Scarlet jumped into its schedule with a will and knocked three opponents off the victory shelf. C.C.N.Y., the Alumni and Swarthmore fell in rapid succession before the avalanche of goals hurled netward by the talented Queensmen. Then came the game which highlighted the season, that stirring fray with the Tiger.

It was a battle on even terms all through the first three periods with Rutgers midfield men Ray Lehtonen, Ridge Moon, Bob Metzler and Art Perry doing yeoman work. The Tiger defense had the Scarlet's scoring aces, Dick Chartrand and Elmer Klinsman, bottled up,

Frederick  
A. Fitch

so the versatile Queensmen uncovered some new threats in Perry Metzler, Lehtonen and Moon. Seven goals resulted from savage onslaughts on the Tiger goal and the game was well in hand as the fourth quarter began. But the killing pace began to tell on the leg-weary Rutgers team while the Orange and Black kept feeding new men into the fray. Finally the Tigers were able to put on a last-minute rally and the valiant Scarlets went down to their first defeat, 8 to 7.

Lafayette visited New Brunswick the following

week and were smothered beneath a barrage of Rutgers goals, sixteen of which found their way into the mesh. Scarlet reserves figured prominently in this affair and gave a creditable account of themselves while holding the Leopards to a single point.

The University of Maryland was the next Scarlet foe and the Old Liners submerged the Fitchmen under a 16 point scoring stream while the best Rutgers could do was 4 goals. The Terrapins jumped into an early 5 to 0 lead by the end of the first quarter and added another half-dozen before half time. They hardly gave the Scarlet a chance to get settled before their scoring ace Bobby Neilsen, began to fire them in from all over the field.

Lehtonen alone lived up to pre-game predictions by tossing in a pair of points and barely missing out on more after working himself into perfect shooting position. He alone was able to pierce the Maryland defense more than once. Perry and Chartrand, who were never left unguarded for a chance to shoot, each slipped his man long enough to slide the ball past All-American Jack Kelly, Maryland's great goalie.

Stevens stickmen proved little trouble for Rutgers and went down to defeat, 6 to 3. But the Scarlet had a hard time keeping on the victory path as Army passed and shot its way to a 14 to 9 triumph over the jittery Queensmen. The Fitch-coached crew seemed to lack the necessary spark in this fray and fell victim to the long-range sharpshooting of the West Pointers.

So in a spirit of revenge, Rutgers welcomed the arrival in New Brunswick of the University of Pennsylvania. In the first quarter of the fray it would have been difficult to pick the winner although it was clear that the Quakers were outclassed. However their aggressiveness kept them in the game until the superior Rutgers attack began to function. Then it was a matter of a few moments before the Scarlet had the game well in hand. Klinsman, Lehtonen, Chartrand, Perry and Moon all contributed to the score and the Scarlet pulled down the curtain on the last act of a successful season.

84½	Lafayette	41½

Bernard J. Wefers

Rutgers trackmen accounted for one of their most successful seasons in the 1937 campaign. Undeclared in dual competition, Bernie Wefers' 15th Scarlet team won the Middle Three title easily for their fifth straight year and for the 11th time since Bernie has been on the "Banks."

The season officially started indoors in Madison Square Garden where Phe Smith blazed away to the IC 4-A two-mile championship. Phe continued his stellar performances outdoors and was one of the leading factors in the success of the squad.

Wefers had 11 lettermen on the squad at the start of the campaign. Buddy Allen and Vic Hurst were back to sprint, Art Kammerman and Bob Cook were in the quarter, Smith and Frank Kenny in the distance runs, Art DeGroff and Fred Manfredi in the hurdles, and Fritz Tentschert, Ed Slotkin and Mort Rosenberg in the weights. A blow was suffered when George Verrill, who as a sophomore had set a new college record in the jump, failed to return to college.

St. John's offered the Wefermen their first opposition of the outdoor campaign, but the Scarlet took ten of the 14 firsts to cop the meet 77 to 49. Buddy Allen scampered to victories in both sprints to lead the individual performances. With Fritz Tentschert leading the way, the weightmen assured the triumph with clean sweeps in the discus and shot put.

Lehigh's trackmen came to Neilson Field with a veteran aggregation but Phe Smith and Buddy Allen scored double victories to lead the Wefermen to an 81 to 45 triumph.

Lafayette succumbed 84½ to 41½ as the Scarlet clinched the Middle Three title in the final dual meet of the season. Again the squad took ten first places, with a clean sweep in the discus throw leading the achievement. Phe Smith easily romped to two-mile and mile triumphs in the only double victory. Buddy Allen won the 100 and finished in a tie with Vic Hurst in the 220.

Haverford displaced the Scarlet as Middle Atlantic States titlist in a surprise victory. Rutgers scored most heavily in the discus as Fritz Tentschert captured the title, Walt Bruyere was second and Paul Harvey fourth. Mort Rosenberg won the javelin throw for the only other Rutgers victory. Hughes of Alfred pulled the biggest surprise of the meet in coming from behind to nip Phe Smith in the two-mile. Buddy Allen was third in the 100 and second in the 220.

## Varsity Cross-Country

With a team composed of a trio of veteran harriers and two men up from the previous season's freshman squad, the Rutgers cross-country team broke into the victory column for the first time in two years. The season's record of two victories in five dual meets bettered by far the record of last year when the Scarlet failed to win a dual meet.

Once again it was Tommy Smith, three year man who led the hill and dalers from his post as captain. The Wefermen opened the season in grand style by taking the measure of Lafayette in the only home meet on the schedule. The following week a strong Princeton squad took over the boys from the "Banks"; but the Scarlet jumped back into the victory column the following week with a victory over the Lions of Columbia.

Following the defeat at the hands of N. Y. U., the Scarlet lost a close meet to Lehigh at Bethlehem to break even in Middle Three competition.

# Varsity Boxing

EARLE LOVEJOY

Coach

CHARLES BOBROWSKI, '38

Captain

GROVER K. COE, '39

Manager

The team record turned in by the Rutgers boxing squad this year was overshadowed by the individual records of a number of the Scarlet mittmen. The pupils of "Bud" Gorman, competing in one of the shortest schedules a Rutgers mitt team has ever engaged in, dropped two decisions and were forced to wait until the season's finale to break into the win column. But that victory was all the more sweet for the Scarlet because it was at the expense of the University of Maryland which annually turns out one of the strongest boxing teams in the South.

But to three Scarlet mittmen must go the credit for the outstanding performances of the year, Captain "Chuck" Bobrowski, Glenn Howatt and Joe Colonna, with the palm awarded to Howatt.

For these three men went through the season undefeated in dual meet competition and were chosen to participate in the National Collegiates at the University of Virginia. Bobrowski, fighting in the 155-pound class, and Colonna in the 125-pound division, went down to defeat in the initial bouts. But the rangy Howatt, upsetting the dope of all the experts, marched right through to the finals, where he gave Litterpage of Virginia a tough battle before going down to defeat.

# Varsity Wrestling

Dropping the opening match of the season to a strong Princeton squad, the Scarlet wrestling team had to wait until the end of the campaign before breaking into the win column with a victory over Montclair State Teachers. But the taste of victory which the minions of Fred Shepard, in his first year as coach of the Scarlet grapplers, tasted in that match must have been very pleasant for they wound up the schedule in grand fashion by blanking the team representing Pennsylvania Military College.

Although the season was far from being a successful one, the record compiled by the matmen was considerably better than the previous year when the team wound up its season without once tasting victory.

Lack of wrestling experience proved to be the biggest handicap to Coach Shepard in most of the matches which the Scarlet engaged in, but with the majority of the lettermen returning next year the outlook for much more success for next season is bright.

The return to the top in Middle Three net competition was the highlight of the tennis record which saw the Scarlet finish the campaign with four victories and three defeats. The Queensmen defeated the racket wielders of Lafayette by a count of 8 matches to 1, while the Scarlet captured another close one from the Engineers of Lehigh by a score of 5 to 4.

Opening the season against Montclair State Teachers College, Rutgers blanked its Jersey opponents 9 to 0. Following this opening victory, the Scarlet dropped two matches to strong teams from Amherst and Fordham by scores of 6 to 3 and 5 to 4. Then came three straight wins for the Scarlet over Lafayette, Muhlenberg and Lehigh, before losing the season's finale to a well-balanced N. Y. U. net team.

The Rutgers netmen were led by Captain Pucciani who won 11 of the 14 matches he was called on to play. But the slim Scarlet leader was closely pressed for individual honors by Ted Spieler and Boris Schwartz who tied for second place honors with records of 10 victories and only 4 defeats.

Harold Elrich, '38

Aaron C. Goldman, '38

George Kirsten

Elmer Lerner, '40

Edward Miller, '38

Charles R. Moog, '38

Akin Toffey, '39

Showing decided improvement over the record compiled the previous season, the Rutgers fencing team enjoyed one of the most successful seasons since the sport was added to the program of the athletic department. Winning its first two matches of the campaign by decisive margins, tying another and dropping three matches is the record, but close examination of the showings made in each match by the Scarlet makes the record more impressive. Only in one match, that with the vastly more experienced Princeton team, was the Scarlet out-classed.

Especially bright was the record of the Rutgers fencers in the Eastern Intercollegiate Fencing Conference held at Panzer and drawing nine colleges as competitors. The swordsmen from the "Banks" finished fifth in the team competition, but a number of the members of the squad turned in excellent performances.

Aaron Goldman, outstanding member of the team throughout the season, won the sabre title in Class B competition. Other members of the Scarlet squad who turned in fine performances were Hal Hirshberg who placed third in the Class C sabre event; Aiken Toffey who won second place in the Class B epee event; and Ed Miller who garnered a third in the Class C epee.

# Rutgers Social Season

The two innovations introduced into the Rutgers social season last year have definitely proved themselves, and the school year 1937-38 should go down as one of the most successful in the social history of the University. The scheme of the Administration to have a board of control which assigns dates for all Rutgers and New Jersey College for Women functions in order to avoid conflicts has worked out admirably. Such affairs as the Soph Hop and Junior Prom on both sides of town, the Christmas dances, Glee Club Dance, and Prep School Week-end at N. J. C., and the Interfraternity and Military Balls here are assigned regular dates at the beginning of the school year. There are also set aside certain dates which are open for house parties or special dances. This system eliminates any competition for attendance that might arise, and at the same

time promotes a better social program in that it limits the number of small dances and thus guarantees a better attendance at the bigger dances.

The lifting of the financial responsibility for the success of the dances from the shoulders of the dance chairmen has also proved quite successful. This increased freedom allows the securing of bigger and better bands since there can be no exploitation, but at the same time cuts down on the profit.

A third change which should be mentioned is the increasing prominence of the Interfraternity Ball. Although the hours allowed for this dance are not the same as for a big time affair, more publicity and the appearance of a name band have materially increased the importance and attendance of this social function in the last two years.

## FRESHMAN RECEPTION

In the absence of President and Mrs. Clothier who annually present the Freshman Reception, Dean and Mrs. Fraser Metzger entertained nearly seven hundred freshmen from Rutgers and the New Jersey College for Women, a few weeks after classes began in the fall. This was the fourth reception of its kind which is held in the gymnasium each year. Games and contests were offered as entertainment and the evening was further lightened by the refreshing music of Connie Atkinson and his Orchestra. Both the Scarlet Key Society and the Student

Relations Committee of the Women's League assisted admirably in making the evening a success.

Through belief that the first year students at both Rutgers and N. J. C. are unfamiliar with college social life, this reception is held to assist them in getting over the first barriers of introduction into the college social life and at the same time to acquaint them with their new classmates. It is evident that the purpose of the affair is being realized if we are to judge by the ever increasing support and enthusiasm that it receives.

## SCARLET KEY DANCE

The sixth annual Scarlet Key Dance officially opened the Rutgers social season. This affair followed the Hampden-Sydney football game on October 2nd and was held in the gymnasium from 8 to 12 P. M.

Connie Atkinson and his band, featuring its famous "jam" sessions, played for the large crowd of football enthusiasts. As an added attraction, Miss Jean Peterson, of the WOR radio station, came from her feature

spot at the "Cocoanut Grove" to thrill the dancers with her inimitable interpolations. The Society had as its guests the members of both football teams, and these men were presented to the gathering by dance chair-

man Akin Toffey, and president of the Scarlet Key, Ned Benson. Door prizes were awarded during the course of the evening, and the society announced the dance a complete financial and social success.

### SCARLET BARBIAN DANCE

The gloom of another Princeton victory over Rutgers on the gridiron was somewhat dispelled in the gymnasium on the night of the game when the Scarlet Barb Council held the second football dance of the year. It was the thirteenth annual Neutral dance and was considerably heightened by the appearance of Will Wall and his ten-piece Band who did some marvelous imitations of some of the bigger name bands in the country. As is the custom at Rutgers dances, the gym was decorated with fraternity banners which hung from various booths in the

balcony, and the lighting arrangements aided considerably in the attempts to forget the afternoon at Princeton.

Despite the fact that Ray Pontier had been able to announce the previous year's dance as the most successful in the Council's history, after this dance he published the fact that the affair realized a fifty per cent financial increase over last year. Over three hundred and fifty tickets were sold and this dance was by far and away the most successful in the annals of the Neutral council.

### SOPHOMORE HOP

The Sophomore Hop, first formal dance of the year, was held in the Gymnasium on Friday evening, December 3rd, and lured more than five hundred Rutgers men and their guests away from books and work. The torrid trumpet of Red Nichols and the music of his famous orchestra sharply but pleasantly contrasted the Polar decorations. Although financially unsuccessful, this first major social event furnished the dancers with a rhythm that was of the best, and the selection of the band met with the approval of all those present.

The decorations depicted an Arctic scene and the psychological effect of these surroundings in the gym where the temperature usually seems to soar during a dance, was astounding. Penguins floated on the surface of the pool and were also ensconced on imposing banks of ice. The color scheme of midnight-blue was set forth by an array of lanterns suspended over the dancers' heads and in the drapes along the walls. There were also drops placed in the rear of the fraternity booths which extended only to the back of the reserve section of the balcony. The assignment of the booths was

designated by lighted Greek symbols of the fraternity along the edge of the balcony. A gauze drape hung between the gym and the pool giving the floating penguins a hazy shade of blue.

An original program was one of the outstanding features of the affair. Printed on white parchment the front cover showed a red seal of the University. The inner pages were held in position by a silken scarlet

cord. In addition to this cord there was also tied around the program a chromium linked bracelet and suspended on this was a silver "R". The popularity of these bracelets was evident and the committee should be congratulated on its choice of favors.

The committee for the dance was headed by Robert A. Aubry, Jr., who was assisted by Leonard Cooke in charge of decorations, Mel Alpren and Marvin S. Werblin, music, Frederick Prosser took care of the tickets, Ablett Flury, chaperones, and H. Waldo

Baldwin in charge of publicity. The chaperones for the affair were Professor and Mrs. Richard C. Reager and Professor and Mrs. Henry A. Keller, Jr.

On Saturday afternoon the basketball season officially opened and the five hundred pretty guests were entertained by seeing the "Homesters" hang up their first victory of the season by beating the University of Delaware. Saturday evening was given over to houseparties at the homes of the various Pan-Hellenic groups.

### WINTER SPORTS WEEK-END

Early Saturday afternoon, January 29, several hundred students and faculty members of Rutgers and the New Jersey College for Women journeyed up to the Inn in the Poconos for the annual Glee Club outing at Buck Hill Falls, Penna. It was an ideal winter's day—the ground lightly covered with snow, the air, fresh and invigorating, filling one's heart with the spirit of freedom. Skates and ski suits were soon donned, and the week-end was under way.

After dinner that evening the Glee Club presented its annual concert in the auditorium of the Inn. This was followed by dancing, the music being that of Lee Temple's collegiate aggregate of swingsters

whose pulsating rhythms kept the "Big Apple" rolling, lending a colorful spirit of celebration to the rural setting. As midnight drew nigh the group began to wander down the icy lane to the tennis courts for the hot dog roast and barbecue. Group singing around bonfires followed until the various groups began to wander back to their beds, wander back to bed, and just plain back.

Sunday dawned a perfect winter day. Hiking over the Mountain trails, skating on the pond, and tobogganning on the slide made up the morning's program. The week-end officially disintegrated soon after lunch, with everyone rarin' to get back to work after such an enjoyable winter's respite.

### JUNIOR PROMENADE

In a South Sea Island setting more than seven hundred couples danced to the music of Duke Ellington and his famous or-

chestra at this year's Junior Prom. Although the decorations were cancelled by the original contractor just a few days before the event was to take place, the committee succeeded in obtaining decorations of practically the same theme. Two realistic palm trees supported a canopy between the two main entrances to the gym floor and the orchestra was located on a raised platform beneath this canopy. On the opposite side of the gym against the doors enclosing the pool was a grass covered terrace and sprouting forth from this at different points were various species of South Sea Island floriculture. Huge misty tan drapes formed a tropic dome over the entire floor and completely concealed the girders above. Palm trees were planted at strategic points around the floor and signs designated the booths assigned to

the various living groups. The versatile music of the orchestra could change this setting from one of peaceful paradise to the rendezvous of a pack of torrid and hungry cannibals on the warpath.

One of the high spots of the evening was the rendering of two of the hit songs of the Varsity Show by the Orchestra and featuring Duke Ellington at the piano. The numbers played were "Free, White, and Twenty-one," the title song of the show, and "Night," one of the smoother hits. This was the first time that any of the numbers had been played in public and the audience received quite a thrill in hearing them played as orchestrated by such a famous band. The applause that they received spelled definite success for both the songs and the Show itself.

The dance program was encased in two hammered gold metal covers. On the front of this was mounted a seal of the University, a seal which was distinguished from those appearing on programs in years past in that the writing on it could be easily read. Running through the center and holding the program together was a scarlet cord of silk. This was the first program of this type to be used at a major dance in several years.

Mr. and Mrs. Andreas G. Ronhovde, and

Mr. and Mrs. Henry Huber acted as chaperones for the dance. Guests of the committee included President and Mrs. Robert C. Clothier, Dean and Mrs. Walter T. Marvin, Dean and Mrs. Parker H. Daggett, Dean and Mrs. Fraser Metzger, Acting Dean and Mrs. Frank G. Helyar, and Deans Margaret T. Corwin and Leah Boddie of the New Jersey College for Women.

The General Chairman of the dance was William LaKamp who was ably assisted by Walter Bruyere, III, in charge of tickets, Ernest Patton in charge of the orchestra, William Evans in charge of decorations, James Dean directing publicity, Joseph Dorrington in charge of chaperones, and Leonard Meiselas who took care of the refreshments. In spite of the fact that they were working on an unusually liberal budget, the committee's report showed a profit of more than three hundred dollars.

Saturday afternoon a swimming meet with Springfield and a fencing match with Drew University entertained the guests and their hosts. Motion pictures filmed by the Department of Alumni and Public Relations, depicting campus life were shown at the same time. Saturday evening twenty fraternities and the Scarlet Barb Society held house-parties at their various houses.

### RUTGERS CONCERT SERIES

The Music Department, under the fine leadership of Professor Howard D. McKinney, '13, which has a long-standing tradition of bringing the best in music to the Rutgers campus, again arranged a sterling program for the lovers of fine music.

The National Symphony Orchestra, conducted by Hans Krindler, with Bartlett and Robertson as piano soloists, opened up the series with a joint concert. Bartlett and Robertson, who offered a novelty in the form of a piano duet last season, rendered with the orchestra the "Carnaval des Animaux," by St. Saens. Many a laugh occurred during this characterizing in music of the animals present at a carnival during St. Saens era. Especially, "Le Cygne," beloved of violoncello players and certain dancers, was excellently done. Also, Bartlett and Robertson played jointly with the orchestra the

"Concert in E Flat for Two Pianos and Orchestra," by Mozart. The arrangement consisted of "Allegro," "Andante," and "Ronde: Allegro."

Bartlett and Robertson played the Introduction, Chorale and Love Music, from "Boris Godounov," by Mossorgsky. This proved to be a very interesting arrangement and the sweet strains of the love music were excellently portrayed by the pianists. The artists also played the famous Song of the Rhine Daughters, from "Götterdämmerung," by Wagner.

The Orchestra added to the color of the evening by offering the composition of the ever popular Sibelius, "En Saga." The heroic achievement and adventure told in music was truly thrilling.

The second concert of the series was given by the New English Singers. This was a

sextet of three male and three female voices. The artists characterized the old English custom and presented their concert sitting around a table. This was typical of the homesteads of England during the middle ages.

Color was added to the evening when a Lute accompaniment was added. Many of the audience were particularly impressed for, although they have in all probability seen a Lute in a museum or otherwise, few have ever had the pleasure of hearing one played.

The third concert of the series was rendered by Miss Marion Anderson, who has been rated as the best contralto in America, and stands by unanimous consent of the leading critics, including that of "The New York Times," as "one of the greatest singers of our time." Her concert here at Rutgers certainly proved her capability, for it was truly exquisite.

To add amusement to her concert Miss Anderson sang the very comical "Fruehlingstraum," by Schubert, which attracted the audience because of the clever way that Miss Anderson presented the cock-crowing that awakened the youth in his dreams. Also, "Amuri, Amuri," by Sadero, proved to be comical due to the way that Miss Anderson portrayed the story of the tired laborer who returns to his home, sings to his love, and finally falls asleep.

Miss Anderson completed her concert by singing some of the favorite spirituals which characterize her race. Among these was the ever popular Deep River which was excellently done.

The fourth concert of the series was given by the Boston Symphony Orchestra. These artists have been here at Rutgers for the past few years because of popular request. The students as well as the townspeople are beginning to feel that they are a pleasant tradition here and ever looking forward for the next concert given by the Boston Symphony Orchestra.

Their concert this year was conducted by the great Serge Koussevitzky and proved to be especially fine. The program consisted of the Symphony in D major (Koechel No. 504), by Mozart, the Second Suite of "Daphnis et Chloé," by Ravel, and the Symphony No. 2 in D major, Op. 43, by Sibelius. All three of these renditions were truly excellent. The changes in volume as well as tempo that this orchestra can produce is simply magnificent.

The last concert of the series presented was a trio of instrumentalists composed of Harold Bauer, pianist, Albert Spalding, violinist, and Gaspar Cassado, cellist. These three artists were well received for they were very capable in bringing out the qualities of the respective instruments that they played. The solos as well as the trios were well rendered.

### THE INTERFRATERNITY BANQUET

The Interfraternity Banquet, of ever increasing importance as a social event, was held at Cooper Hall on March 22nd. The Interfraternity Council has succeeded in making this, after three years, one of the big features of fraternal life on the campus.

In accordance with the precedent set last year, the Council was successful in getting two more "big time" speakers to talk to the assemblage of fraternity men. They were President of the University, Robert C. Clothier, and the new football mentor, Harvey J. Harman. Mr. Harman was making his first address to a combined group of Rutgers men of this sort and he was received with a spirit that augured well for his success on the "Banks."

A. Peter Haire, president of the council, presented the Pan-Hellenic Scholarship Cup to Walter Berger, for Phi Epsilon Pi, signifying the top scholarship of all Rutgers fraternities.

The dinner was directed by Chairman John T. Lawley and was even a greater success than the previous dinner. In having such men of national prominence as the Rutgers President and Football Coach, Lawley boosted the affair into one of importance which was not missed by one fraternity man who could possibly attend.

The Council sees in this medium a real opportunity for better interfraternity relations and a gathering of all Rutgers men each year.

## BAND CONCERT AND DANCE

An unusually large audience was present for the Tenth Annual Band Concert which was held on Saturday evening, March 19th, at the gymnasium. Although the general theme of the concert was classical, and this type of music predominated, several fine modern numbers were worked into the program. The evening's entertainment was under the general supervision of Bandmaster Charles W. Cook, but following the usual custom student leaders conducted portions of the concert. These men were:

Leonard Krieger, Robert M. Feller, A. Edward Thompson, and Abraham M. Gelfond, all of the class of '38.

To further add to the evening's entertainment, dancing followed the concert proper. The music for this portion of the program was furnished by Lee Temple's popular orchestra.

The committee in charge announced that the profit realized from this year's concert will be used to further augment the present supply of music and instruments.

## VARSIITY SHOW

This year brought something different in the way of entertainment to the Rutgers campus. For the first time in twenty-four years a Varsity Show was given. This was brought about by the tireless efforts of Louis A. Fanget, '39. He wrote the music, got Jerome J. Halprin, '38, and Stewart P. Brown, '39, to write the book, and then, with the aid of Leslie Beach, '39, who matched Judd in his unceasing endeavors, began to line the show up financially. Queens Players then came upon the scene by backing this group and taking them into the society. It then became a Queens Players venture and that long hoped for musical show became just a matter of time. Lou was put in complete charge of the production. Les Beach was made business manager, Ed Stearns, '41, production manager. Monroe Postrel, '40, was put in charge of music and to him was given the job of orchestrating the six songs written by Lou Fanget.

William Miles, of New York, was engaged as director and John H. Hines, Jr., also of Princeton, was contracted as dance director.

Everything was now ready and a call for business staff, stage crew, chorus boys and girls, and actors was made. Two hundred and fifty answered this call. Then came the hard job of tryouts and finding those able to carry on the hard work of the business staff and stage crew. When the curtain went up Thursday night to an enthusiastic audience, a final check up showed eighty students picked to lend a hand in producing the first musical in two and a half decades.

Little did this audience realize that the entire group had been up to 5:30 A. M. that morning putting the finishing touches to a show that was well received and proclaimed a real success. Many a laugh was enjoyed by everybody and some are still not convinced that the girls' chorus was made up entirely of boys—thanks to the make-up of Doc Greenwood.

Tom Zwierlien, '39, in the part of Daisy, and Francis W. Lawley, '40, as Judy, played the feminine leads to perfection. Marshall G. Rothen, '38, as Bob Brown, the hero, gave a very commendable performance, and C. Righter Dixon, Jr., '38, as Homer Nottingham, gave a very real performance of "Joe College."

Stewart P. Brown, '39, as Cecil B. MacGrady, the ace director, and his two stooges, Hamme and Aigge, played by Irving L. Bander, '40, and Eli L. Weisman, '39, respectively gave the audience many a laugh.

Irving L. Cochrane, a transfer, added to the audience's delight as President of the College.

If we took time out we could give credit to practically everybody in the cast, but as space forbids we will always remember the "blonde" chorus girls and their boy friends. We cannot, however, forget those men without whom the show could not have been a success—the men behind the scenes, Richard Hammell, '39, Chief Electrician and Construction Manager, Richard O. Ely, '39, Stage Manager, William L. Heintz, Rehearsal Manager, William H. Steinberg, '39, Properties

Manager, Ames D. Bradish, '38, Electrician, and Walter E. Schwanhausser, '40, Electrician, and Walter R. Bruyere, '39, Scenery.

One of the outstanding features of the show was the excellent orchestral accom-

paniment by the Rutgers Queensmen. The musical arrangements of the tunes were made by Frederick F. Wesche, '39, and Monroe Postrel, '40, who conducted. Robert H. Grasmere, '40, president of the Queensmen, was Assistant Musical Director.

### INTERFRATERNITY BALL

Following the precedent set by last year's Interfraternity Ball committee, this year's plans will elevate the affair to practically the same level and standard as that set by the big dances. The band selected by Willet Whitmore, chairman, and his associates Art Perry and Sam Lerman is the nationally famous Jerry Livingston and his stellar organization. No allotment has been allowed for decorations, so the Gymnasium which will house the dancing couples will be

adorned with flags and banners obtained from the various fraternities on campus. Colored spotlights will be flashed among the dancers and there will also be a spot dance the winners of which will receive a prize. The chaperones selected are Mr. and Mrs. Edgar G. Curtin and Professor and Mrs. Henry A. Keller, Jr. All indications point to a record crowd, and there is little doubt but what this year's Interfraternity Ball will be the most successful one on record.

### MILITARY AND SENIOR BALLS

The call for this copy to go to press comes quite a while in advance of either of these two dances. Plans as to the exact nature of the affairs are very indefinite. According to Steven Stanowitz, General Chairman of the Military Ball, the choice of bands now definitely lies between Kay Kyser and Hal Kemp. Either of these two organizations is bound to draw a record crowd to the affair.

The dance will be held in the Gym and the decorations as tentatively selected will show a Colonial setting and an atmosphere of peaceful surroundings. These decorations will probably be handled by the Sloer Company. The chaperones for the affair have not yet been selected. Members of the Military Ball Committee are:

- Steven Stanowitz,  
 General Chairman and Publicity  
 Lefferts Hutton ..... Tickets and Programs  
 Byron Prugh ..... Decorations  
 George Christiansen ..... Refreshments  
 Joseph Whitehorne ..... Chaperones  
 Thomas MacMeekin ..... Music

Plans for the Senior Ball depend upon the outcome of a class meeting which will be held sometime in the very near future according to John F. Anderson, chairman of the Senior Ball Committee. The chances are that the event will be held in the Hotel Woodrow Wilson and Chairman Anderson promises that a good time will be had by all.

**NEW JERSEY COLLEGE  
FOR WOMEN**

RUTGERS UNIVERSITY  
NEW BRUNSWICK, N. J.

Founded 1918

MARGARET TRUMBULL CROWN, Dean

Courses are offered in the liberal arts and sciences leading to the degree of A.B. or B.Sc., and in home economics, physical education, and agriculture (jointly with the College of Agriculture) leading to the degree of B.Sc. Through the cooperation of the College of Arts and Sciences courses in journalism leading to the degree of Litt.B. are available. The College maintains also a senior undergraduate Library School. Work in art, dramatic art, and music is counted toward the baccalaureate degree.

The requirements for admission are based on the standard definition of college entrance subjects totaling 15 units. Applicants will be admitted either by certificate or examination. For information address the

According to an old legend, the discovery of the principle of printing from moveable type was a matter of "Pot Luck" . . . The young son of a dye-maker accidentally dropped a carved wooden initial in a pot of dye. When he set this dyed letter on a skin to dry, it left an imprint.

From this came printing.

## POT LUCK

Printing today is a far cry from the days when it was just a matter of "Pot Luck." Through the years, craftsmen have always striven to achieve better printing.

Although the day of fine, but laborious, hand printing is over, the spirit of the craftsmen does not die. If, with the increasing demand for speed, fine books can no longer be printed by hand, it does not mean that fine printing will stop. It means, rather, that artisans and craftsmen will find

another way to maintain the standards of their guild.

The solution does not lie solely in machines that can cast more lines of type per hour, nor in presses that can print more pages per minute. The solution lies in machines in combination with skilled workers.

Lyon and Armor were among the first to recognize this fact. And Lyon and Armor have supplied their personnel, all of them weaned on printer's ink, with the latest, most efficient, printing equipment. The result is printing of the finer sort . . . at a speed in tempo with present day production.
