The cabaret theatre is a nonprofit flexible space theater located on the douglass campus of rutgers university. entirely student managed, we receive no financial assistance from the university and rely entirely on receipts from previous events to fund our new productions. for over twenty years, cabaret theatre has been committed to providing the university and it surrounding community with a wide variety of theatrical experiences, as well as offering a forum for students to learn about acting, directing, writing, design, management, and construction through various workshops, projects, and hands-on experience.
