Mission Statement

The Cabaret Theatre is a non-profit, flexible space theatre located on the Douglass College Campus of Rutgers University. Entirely student managed, we receive no financial assistance from the university and rely entirely on receipts from previous events to fund new productions. For over twenty years, Cabaret Theatre has been committed to providing the university and its surrounding community with a wide variety of theatrical experiences, as well as offering a forum for students to learn about acting, directing, writing, design, management and construction through various workshops, projects and hands-on experience.
